Callies Defeat Drydock

Although the weather was anything but favorable, the league football game, Callies vs. Dry- * including the services of the * dock was played on Saturday * Resident Doctor, at the fol- * night and resulted in a victory for * lowing rates:the Callies by 4 goals to 1. In the first half the Callies had

Mr. C. T. Heward officiated as referee and showed that at all times he had a thorough grasp of the game.

What the football playing fraternity owe to Mr. Armstrong and associates at the drydock was amply demonstrated Saturday. During the afternoon it looked like an utter impossibility to play a game of football on the Drydock grounds, and it was only through the indefatigable efforts of Mr. Armstrong and his men. who kept up an incessant draining of the field until the whistle called the players together, that the game was at all possible.

Hornets vs. Sons of England

The league game played on Friday night between the Sons of England and the Hornets resulted win for the former by 7 goals o 0. The game was more close-This was the first game the

Hornets have played since organ_ izing and from their showing better things are to be expected from ! them before the season ends. Two ? of their team had to retire before the game was finished, leaving them with nine men. On the other hand, the Sons of England demonstrated that they are al vastly improved aggregation, and will be strong contenders for premier honors before the conclusion of the league.
