

"NATIONAL HERO SERIES" NO. 4

Lord Nelson—Old England's Great Naval Hero

WITHOUT Horatio Nelson, England would have been invaded and perhaps conquered by Napoleon. At Trafalgar he smashed forever the French Emperor's hope of creating a naval power. Never was man more idolized and beloved—not only by all of England's people who breathlessly awaited news of his telling victories, but by every man of his fleet. A true Anglo-Saxon, he detested tyrannous powers and legislative usurpations of every kind. He was particularly opposed to prohibitive enactments governing the diet of his men, who, like him, enjoyed Barley-Malt brews, even as their fathers did for countless generations before. Good beer, according to Lord Nelson, has ever been

good food. Budweiser Beer for 57 years has been the product of an institution holding the highest ideals known to the ancient art of brewing. The output, due to Quality and Purity, has increased every year until 7,500 men are daily required to keep pace with the public demand. Budweiser sales exceed any other beer by millions of bottles.

18,000 ALIENS ENLIST TO FIGHT FOR FRANCE

Americans Included in List of Italians, Spaniards and Others

Paris, August 28.—The great square fronting the Invalides in Paris presented a striking spectacle today, when 18,000 foreign volunteers assembled in orderly formation under the flags of their various nations to be mustered in. There were 4,500 Jews from all countries who desired to serve as a separate command; there were also 3,000 Belgians, 4,500 Italians, 2,600 Russians, 2,000 Swiss, 1,000 Spaniards, 600 Rumanians, 335 Luxemburgians, and 125 Americans.

All these volunteers were obliged to wait until the completion of the mobilization of the French regular forces, which was accomplished yesterday. In the meantime 30,000 foreigners resident in France have inscribed their names provisionally on the rolls of a committee calling itself "the friends of France."

Only those volunteers resident in Paris presented themselves today. It will take several days to comply with all the formalities and examinations and make the men into anything like an organized body of troops.

TONEPAH-BELMONT CO. BOUGHT SURF INLET GOLD MINE

The taking over of the big gold property on Surf Inlet, Princess Royal Island, by the Tonopah-Belmont Company, of Tonopah, Nevada, is a matter of very great importance to the mining industry of this Province. The profitable operation of a great gold mine on our west coast will do more to stimulate the mining industry in this part of the world than anything that could possibly happen. It is particularly fortunate that this well-known property has fallen into the hands of so strong and progressive a concern as the Tonopah-Belmont, which is in the field for other properties of merit.
