

VETERAN WHO WAS WITH LORD ROBERTS

Laid Low With Rheumatism—But Cured By "Fruit-a-tives".

CHATHAM, ONT., APRIL 3rd, 1913.

I am a veteran of the Crimean War of the Indian Mutiny, volunteering in the Royal Artillery into the Royal Engineers, and served under Lord Roberts during the Indian Mutiny, and am a pensioner of the British Government. Fierce hand-to-hand fighting and continual exposure left me a great sufferer from Rheumatism, such that my legs swelled up, making it impossible for me to walk. "Fruit-a-tives" cured me of the Rheumatism and Constipation, my regular employment, I walk my miles a day and enjoy perfect health.

TORTURED NO LONGER WITH ASTHMA

Sometimes, He Had To Sit Up All Night For Weeks At A Time—Suffered For 15 Years Until He Cured Himself With "Fruit-a-tives".

D. A. WHITE, ESQ.

21 Wallace Ave., Toronto, Dec. 22nd, 1913

"Having been a great sufferer from Asthma for a period of fifteen years (sometimes having to sit up nights for weeks at a time) I began the use of 'Fruit-a-tives' These wonderful tablets relieved me of Indigestion, and through the continued use of same, I am no longer distressed with that terrible disease, Asthma, thanks to 'Fruit-a-tives' which are worth their weight in gold to anyone suffering as I did. I would heartily recommend them to all sufferers from Asthma, which I believe is caused or aggravated by Indigestion."

D. A. WHITE

Asthma is a disease of the Nerves. It usually attacks those of a highly strung nervous system—those whose nerves are easily affected by any disturbance of digestion. This is why 98% of those who suffer with Asthma, also suffer with Indigestion, Dyspepsia or Constipation. In Mr. White's case, his Asthma was cured at the same time that his indigestion was cured.

Why? Because "Fruit-a-tives" acts directly on stomach, bowels, kidneys and skin. "Fruit-a-tives" cleans the whole system of the poisons that are irritating the nerves. "Fruit-a-tives" sweetens the stomach, insures sound digestion and healthy appetite. "Fruit-a-tives" is a positive cure for Asthma and Hay Fever.

Martin's store and the Union Jack now floats gaily to the breeze over that well known establishment. A popular resort like the St. Ives Hotel was not one whit behind in showing its loyalty and "The Flag" floats there, too.

Mr. and Mrs. Brown, who spent the past three months here, left on Thursday for New York. Mr. Brown secured a valuable collection of Graham Island birds during his visit for the New York Natural History Museum.

Prof. Milnor Roberts, engineer in charge of the development work at Camp Wilson, left on Thursday for Seattle, where he will resume his duties in the university. Mr. Roberts stated before he left that the war will have no effect on the work at Camp Wilson.

Three gangs were started on road work in the Sewall district last week by Foreman Charles Spence.

Tow Hill residents have the best natural road on the coast—when the tide is falling. Twice each day the wagons pass over a level stretch miles in length and wide enough for 40 teams abreast.

Captain McIntosh and Mr. Cramer, of Victoria, arrived Thursday. They are large owners of Graham Island property and brought teams and equipment with them to improve their property on the west side of the inlet.

ROBBERS FOUND SAFE HEAVIER THAN BREAD

North Bay, Ont., Sept. 10.—Robbers entered the store of J. H. Taylor, baker, moved the safe to the back door, where they had one of Mr. Taylor's carts in readiness, and hauled it to a vacant lot in the rear of the building, where they blew off the doors and decamped with the contents, about \$65.

MASSET NOTES

(Q. C. Islander)

A slight earthquake occurred on Friday morning about 7 o'clock. The tremor only lasted a few seconds and was the means of getting a few local people out of bed a little earlier than usual.

Capt. J. B. Gillatt, of Sandspit, has, we understand, offered his services to the military authorities in connection with the formation of a regiment on the Queen Charlotte Islands. It is proposed to form two companies, one at Queen Charlotte City and the other at Masset. Captain Gillatt was formerly a commissioned officer in the British army, and his offer to organize and instruct the proposed regiment, will, we hope, be granted by the authorities.

Fishing for cahoe salmon has been engaged in off the mouth of Masset Inlet and one fisherman is credited with having caught 32 salmon with a trolling line in one day.

The residence of Chas. Adam at Graham Center was totally destroyed by fire last Monday. The loss is estimated at \$500.

W. A. Brown, of Hydah, was married at Queen Charlotte City last week to Miss Lea Delucusse, of Kenmore. Mr. Brown is an old-timer on Graham Island and was among the first to locate near Lawn Hill.

The Masset and Skidegate Indians arrived at their reserves last week from the river canneries on the steamer Coquitlam, which was specially engaged to bring them home from the Oceanic cannery.

The Masset Indians have gone to their river fishing grounds to prepare their winter supply of salmon. It is their intention to smoke and salt a large supply and it is possible that a quantity will be prepared for export.

Dave Rutten, the well known Oeanda rancher, spent a few days in town this week. The settlers, he says, have all been busy putting up hay, and the crops are in excellent condition. Messrs. Vaish, Verheyden and Rutten are working on a big ditch, 10 feet wide and about 600 feet long.

During the week a flagstaff 64 feet in length was erected at Jas.

Leif Ericsson—The Discoverer of America

THE FIRST WHITE MEN to tread American soil were Leif Ericsson and his sea-dashed Viking crew. This was nearly a thousand years ago, when the Scandinavian peoples ruled the seas and held the secrets of navigation. The history of the fair-haired, liberty-loving sons and daughters of Sweden, Norway and Denmark is rich in song and story. We have millions of these splendid folk in our own land, and wherever the standard of Liberty and Human Progress has been raised they are found in the front rank, bravely fighting for the Right. Better citizens or greater lovers of Personal Liberty are unknown. For centuries our full-blooded Scandinavian brothers have been moderate users of Barley-Malt brews. Who can truthfully say it has injured them in any way? It is the ancient heritage of these peoples to revolt at Prohibitory Laws, and their vote is registered almost to a man against such legislation. For 57 years Scandinavians have been drinkers of the honestly-brewed beers of Anheuser-Busch. They have helped to make their great brand **BUDWEISER** exceed the sales of any other beer by millions of bottles. Seven thousand, five hundred men, all in all, are daily required to keep pace with the natural public demand for Budweiser. ANHEUSER-BUSCH - ST. LOUIS, U.S.A.
