DEAD-LOCK AT THE AISNE FORCES SEEM TO BE BALANCED

ARMIES ARE NOW IN CLOSE RANGE OF EACH OTHER, IN SOME PLACES ONE HUNDRED YARDS APART—FIERCE BAYONET CHARGES ON BOTH SIDES.

(News Special—6:30 Sunday Night.) Paris, Sept. 27.—An official statement this afternoon says that the Allies and Germans are in close contact everywhere along the Aisne and bayonet fighting is general and is in favor of the Allies. A perceptible advance was made by the Allies between the Oise and Somme and to the north of Somme from Aisne to Rheims. In some places the opposing entrenchments are only 100 yards apart. Violent bayonet charges of the Germans were repulsed at all points. The French have regained the ground lost between the Argonne region and the Meuse.

RED CROSS FUND COMMITTEE REPORTS WOULD DISBANDED GERMAN ARMY SETTLE IN CANADA?

Over Six Hundred Dollars Raised and Is Being Sent to Headquarters, London, Eng. The committee of management in charge of the late patriotic concert held in aid of the British Red Cross at a recent meeting passed votes of thanks to all those who had contributed in any way to make the concert the great success it was.

They wish specially to thank Judge Young for so ably presiding, the Westholme Theatre management for their generous check for \$50, and also the following for their kind donations toward defraying the expenses: The A. W. Edge Co., Mr. Albert, Mr. Harry Rochester, Mr. W. Marshall, Mr. Tomlinson, Mr. Hewitt, Mr. Broderick, Mr. H. P. Wilson, Mr. Gargetts and Mr. Martin Swanson; also to those in charge of the program and to all who took part in the concert and tableaux, entailing as it did so much work; to the young ladies who sold programs; to the Irish Fusiliers; to the firemen who helped in the decorations; to those who lent flags and bunting; to Mr. Bullock-Webster, who looked after the staging; to the public press for their free advertising, and to Mr. Godenrath, who also helped in this connection.

The management wishes also to thank Mr. E. A. Sinclair, of Orme's drug store, for the trouble he took in looking after the plan of seats, to any others who gave of their money and time, and to the public for the splendid way in which they turned out to the performance.

The proceeds amounted to \$639.40 after all expenses have been paid, which amount the treasurer is sending today to the Vancouver branch of the Red Cross Fund, with the request that the money be sent to the head office of the British Red Cross Society in London, England.

Special mention must also be made of the courtesy of the Westholme Theatre Company in loaning the theatre for rehearsals and their splendid treatment in every way, and also to the orchestra, which gave its services so willingly—all of which will not soon be forgotten.

LADIES' AUXILIARY OF ST. ANDREW'S SOCIETY WILL HOLD BAZAAR

The Ladies' Auxiliary of St. Andrew's Society is giving a bazaar and sale of work tomorrow in St. Andrew's Hall in aid of their building fund, opening at 2 p. m. There will be many articles of plain and fancy sewing on sale. Also a large variety of home cooking and candies. In the evening there will be a dance, beginning at 9 o'clock. The music will be furnished by the Majestic orchestra.

During the evening there will be a hat-trimming and needle-threading competition for men and a pencil-sharpening and nail-driving contest for ladies, which ought to be some fun provoker.

"THE ISLE OF SPICE."

Now you may not agree with the code of life which one King Bompaka, who fires and hires his wives with touching bonhomie, believes in, and you may have a difference of opinion on whether Slobosky and Mickey were treated properly when they dropped in unexpectedly; but however that may be, you are sure to do a lot of laughing and applauding if you are lucky enough to secure seats at the Westholme tonight, when the Bostonians present B. C. Whitney's great Chicago success, "The Isle of Spice." Chuck full of sparkling song hits, clever comedy, and aglitter with beautiful wardrobe, "The Isle of Spice" is of the type of musical piece with which the Bostonians have always made their greatest success.

As a special added feature for Monday and Tuesday the fifth episode of "The Million Dollar Mystery" will be shown between the acts. How Jones, the Hargreaves' butler, fools the Black Hundred and save the treasure from their clutches after a desperate race for life in a power boat makes one of the most thrilling episodes of this wonderful story.

G. T. P. TELEGRAPH LINE WILL SOON OPEN FOR PUBLIC SERVICE

General Manager Morley Donaldson, of the G. T. P., while in town was interviewed by The News with regard to the opening up of the company's telegraph line for commercial use. Mr. Donaldson said that he expected the line to be completed in about three weeks. A set of wires were already strung but were required for the company's own business. Additional wires would soon be in place, however, and these would be used for a public service. The department had not gone into the question of rates, but Mr. Donaldson intimated that he would do this upon his return to headquarters. The rates charged the press over the C. P. R. is one-quarter cent per word, while the rate from Vancouver to Prince Rupert is one cent per word. It is hardly likely that the G. T. P. will quote a higher rate than the C. P. R. as they have already shown a willingness to equalize freight rates.
