Pure Blood Is Absolutely
Necessary To Health

"FRUIT-A-TIVES" PURIFIES

These Wonderful Tablets,
Made of Fruit Juices, Are The
Best Of All Tonics To
Purify And Enrich
The Blood.

Pure, rich blood can flow only in a
clean body. Now, a clean body is one
in which the waste matter is regularly
and naturally eliminated from the
system. The blood cannot be pure
when the skin action is weak, when
the stomach does not digest the food
properly, when the bowels do not move
regularly, when the kidneys are
gravid or overworked.

Pure blood is the result of perfect
health and harmony of stomach, liver,
lungs, kidneys and skin.

"Fruit-a-tives", by their wonderful
action on all these organs, keeps the
whole system as clean as Nature in-
tended our bodies to be clean.

"Fruit-a-tives" tones up, invigorates,
strengthens, purifies, cleans and
gives pure, rich, clean blood that is, in
truth, the stream of life.

"Fruit-a-tives" is sold by all dealers
at 50c. a box, 6 for \$2.50 trial size 25c.

PRISONERS OF WAR TO IMPROVE PARKS

Ottawa, Dec. 3.—Alien enemies
of England will have to saw wood
in Canada this winter to pay their
board. The Ottawa government
some time ago asked both the On-
tario and the Quebec govern-
ments to designate timbered areas
upon the clearing of which aliens
held as prisoners of war could
be employed.

It is understood that the Que-
bec government has set aside a
considerable area in the Abitibi
region to be cleared up and turned
into good farms. Ontario has
not yet replied.

In Western Canada, the Fed-
eral government will set pris-
oners of war at work improving
Dominion parks.

Germans and Austrians there-
by will be enabled to work out
their anti-British spleen upon
good, tough Canadian stumps.

It is figured that they will earn
their board, improve their health,
promote public safety and im-
prove the land.

ciety in London has dissolved;

THIEVING NEWS AGENCIES TRAPPED BY ASSOCIATED PRESS

TELEGRAPH OPERATOR HAD BEEN GIVING AWAY THE NEWS
AND TRAP WAS LAID FOR HIM WITH EXCELLENT
RESULTS IN NEW YORK.

New York, Dec. 5.—H. L. Lin-
der, a telegraph operator in the
employ of the Postal Telegraph
Company and attached to the of-
fice of the New York Globe, was
arrested, charged with violating
Section 552 of the penal law, in
that he revealed the contents of
a telegraphic message sent out by
the Associated Press.

For a long time it has been
evident that the dispatches of the
Associated Press were being sys-
tematically stolen and were re-
distributed by a number of small-
er agencies to their clients. A
careful watch was set upon the
business and suspicion pointed to
a certain man employed in the
office of The Globe, a New York
evening paper, as the guilty per-
son. The case was considered by
the executive committee of the
Associated Press directors at a
recent meeting and a plan to de-
tect the culprits and bring them
to justice was adopted. For the
purpose of transmitting the most
important news in bulletins,
wires connect the central office
of the organization at 51 Cham-
ber Street, with the editorial
rooms of the various members in
New York.

Bulletins Copied.

In the office of The Globe the
bulletins were copied surrep-
titiously by H. L. Linder, a tele-
graph operator employed by the
Postal Telegraph Company, and
repeated to the New York Bureau,
a Wall Street concern. Fre-
quently within two or three min-
utes after their receipt in the of-
fice of The Globe, they appeared
on the New's Bureau's ticker and
in the report of International
News Service, the Central News
of America, and other minor or-
ganizations.

For the purpose of trapping the
wire tappers the following dis-
patch was prepared:

"Petrograd, Nov. 4.—The Rus-
sian dreadnought Fliba, formerly
the Ismail, striking a mine in the
Gulf of Finland, is a complete
loss with 450 lives.

"The Ismail was one of four
Baltic dreadnoughts laid down at
the Kronstadt yards in 1912. She
had a displacement of 28,000 tons
and carried nine 14-inch guns
and twenty 5-inch."

Papers Are Trapped.

The short bulletin wire to The
Globe office was detached from
the circuit, which included the
other New York evening members
of the Associated Press, so that
the message should go to The
Globe alone. As anticipated, the
dispatch instantly appeared on
the ticker and not long after was
printed in the papers served by
other news agencies throughout
the country. As soon as this was
done, and before it appeared in
any issue of The Globe, a notice
to "kill" was sent out and the
telegram there at no time reached
the public as from the Associated
Press.

The word "Fliba" was cryptic.
Substituting for the initial con-
sonant the consonant following it
in the alphabet, and for the two
vowels the vowels following in
the alphabet, "Fliba" became
"Globe." Thus the culprits were
left no chance to escape. The
telegram was identified beyond
question and the operator was
given no chance to escape. He
was arrested and made a full con-
fession, being arraigned before
Magistrate F. B. House and held
in \$5,000 bail for his hearing on
December 14.

Probing News Bureau.

In order to observe the meth-
ods of the New York News Bureau
a trusted Pinkerton operator was
employed and established himself
as an investment banker, "Mr. R.
D. Smith," at an office at 336
Broadway. He fitted his office
carefully with a safe and appro-
priate furniture, and installed one

of the New York News Bureau
tickers.

Employees of the Associated
Press were assigned to watch the
ticker with great care and to time
each dispatch. During a period
covering several weeks it was ob-
served that the dispatches of the
Associated Press were constantly
repeated on the ticker within five
to ten minutes after they were
sent out by the Associated Press.
The New York News Bureau is not
a member of the Associated Press
and is not entitled to its service.

RIGHT TO THE POINT.

There was a certain wealthy
lady whose servant became af-
flicted with eye trouble. She forth-
with sent the servant to one of
our leading oculists. The doctor,
when asked for his bill, replied:
"Five dollars"—she having made
in all five visits to his office, at
the end of which time she was
pronounced cured. A few days
later the lady herself had the
same condition develop, and at
once consulted the same oculist.
She made the same number of vis-
its to the doctor as her servant;
whereupon she, too, was cured.
On the first of the month follow-
ing, the doctor sent in his bill for
fifty dollars, upon receipt of
which the lady hastened to his
office and demanded satisfaction;
why, under exactly similar cir-
cumstances, her servant should
be charged five dollars, and she
herself fifty; that it was out-
rageous, etc. The doctor's office
was filled with patients, who were
greatly amused, apparently, at his
expense. However, he had an ex-
pedient; and, turning, in his mild-
manner tone, he said, "Five dol-
lars, madam." Turning to the
cashier, he said, "Cashier, place
Mrs. So-and-so in the pauper
list." The lady, finding herself
caught in her own trap, had sly-
ly left the doctor's office.—Ex.

Causing It to Blow Up.

London, Dec. 4.—A dispatch to
the Daily Chronicle from a cor-
respondent in Northern France
says: "Wednesday about noon a
tremendous explosion was heard
and felt for miles along the allies'
line. The source of the explosion
apparently was behind the Ger-
man lines. Later it was learned
that a British naval aviator had
dropped a bomb squarely on a
German ammunition train, which
blew up."

EXCELLENT REPLY TO MAIL ORDER HOUSE

A physician received a personal
letter from a large mail order
house. It was a well written ap-
peal, and closed by saying: "If
there is any reason why you do
not buy of us, please give us your
reasons in the enclosed, stamped
envelope, and we will strive to
remove the cause." The physi-
cian answered as follows:

"Your letter of recent date ask-
ing why I had not traded with you
for a long time received, and as
you ask me to tell you frankly
why, I will give you a few rea-
sons.

"First—I am in business in this
community and am looking to this
community with its varied indus-
tries for my support. I cannot
ask the merchants of this town
for their support if I do not give
them mine.

"Second—In looking over my
books I fail to find any of your
company's names, which reminds
me that none of these gentlemen
have ever given me a penny's pa-
ronage. Why is this? Am I too
far away, or have neither of them
needed a physician, or are they
afraid of the mail order plan
when it comes to the practice of
medicine? I can certainly give as
good satisfaction by mail as your
house can, and will appreciate a
call from either of them when in
need of medical service.

"Third—In looking over the
subscription lists for improving
our streets and public highways, I
have failed to find the name of
either member of your firm down
for one penny to assist in the
work. Also I have failed to find
your name on any of the charity
lists where help has been ren-
dered to our poor; in other words,
you are not down as a contributor
to our 'Helping Hand Society.' In
fact, in all the movements for the
betterment of our conditions,
where our community has needed
the united efforts of her public-
spirited citizens, I have failed to
find your name among the list of
contributing merchants. Your
name is not on our city tax books,
nor do I find where you have paid
a city license to do a mercantile
business in competition with our
home merchants.

"These are a few answers to
your questions, and I trust you
will see the justice of them."

Patriotic Fund. It is estimated
that \$3,000 will be saved.

The Council proposes to con-
tribute \$50,000 to the Patriotic
Fund, as well as a donation to
