London, Jan. 29. - The Times military correspondent estimates that there are ninety-four divisions of German troops on the western frontier as against fortythree in the east.

WILL ADOPT LAST YEAR'S ASSESSMENT

A special meeting of the Council was called last night to consider the 1915 assessment for the city. On Monday night there was difference of opinion as to whether there should be a reduction or the assessment of last year should be adopted.

The city solicitor presented a report (given in this issue) showling the legal aspect of the affair.

Alderman McClymont thought Italy from intervening in the There was also a short pro- The voting for the applicants that in view of the fact that other cities were making a reduction we should do likewise.
