VANCOUVER CONSERVATIVES DON'T WANT BOWSER

FEDERAL ELECTION EXPECTED TO TAKE PLACE IN JUNE--GERMAN SUBMARINES STILL BUSY

BOWSER WAS HOWLED DOWN AT CONSERVATIVE MEETING

FTER NOMINATING CANDIDATE BOWSER TRIES TO SPEAK BUT MEETING WAS BROKEN UP--J. S. COWPER CHOSEN TO OPPOSE BOWSER.

(Special to The Daily News.)
South Vancouver, March 17.—A meeting held here last night for the purpose of nominating a Conservative candidate for the federal election, broke up in a most disorderly manner. J. S. Cowper, secretary of the Dominion Trust Company, was chosen to oppose W. J. Bowser, who was president of the meeting. Bowser attempted to speak toward the close of the meeting and the audience got furious and broke up the meeting in disorder. Bowser was severely heckled over the Naimo strike and the Dominion Trust affair.

Bowser has announced that he will run for Vancouver. At a meeting of 2,700 representatives of the depositors of the Dominion Trust Company, J. S. Cowper, secretary of the depositors committee, was chosen to oppose W. J. Bowser on the Dominion Trust issue. Mr. Cowper was formerly editor of the Prince Rupert Daily News and is now a member of the staff on the Vancouver Province.

GERMAN SUBMARINES GET MORE VICTIMS

(Special to The Daily News.)
London, March 17.—An official announcement says the British battleships, Atlanta, of 519 tons, and the Fingal, of 661 tons, have been torpedoed. Six lives were lost on the Fingal. This makes the British steamers that have been sunk since March 10.

ARRIVALS BY G. T. P. S.S. PRINCE GEORGE

Amongst the first class passengers arriving on the Prince George this morning were the following:

Lange, David Beatty, S. W. A. Cooper, E. H. Fletcher, C. L. Cullin and wife, Miss A. L. Oldershaw, J. H. Murray, W. J. Findlan and wife, F. C. Kinnon, W. E. Hodges, Peter Shot, Mrs. Groves and family, Diamond, A. W. Pride, G. H. and wife, M. R. McArthur, W. Sargent, J. Dodson, Mrs. Evans, A. G. Pearce, H. Taylor, J. Bamford, Mr. Berry, Miss Deane, J. A. Cox, D. J. Ross, Miss John Miller and wife, Wm. Wallace, W. G. Gillette, R. McNeill, W. G. Morris, W. J. Allan, R. A. Loring, E. Smith, A. Houde and J. Crispo.

BOWSER "BAWLED OUT"

More evidence is to hand foretelling the crushing defeat which awaits the McBride government. At a Conservative convention held last night in South Vancouver, W. J. Bowser toward the close of the meeting, attempted to address the audience. The audience refused to hear him and started an uproar that broke up the meeting. When it is considered that this was a regular Conservative meeting, without any Liberals or Socialists present, the importance of the event becomes more apparent. It simply shows that the best element in the Conservative party will not stand for a man like Bowser, who stands guilty for the failure of the Dominion Trust Company, the brutal treatment accorded the Nanaimo strikers, and many other similar villainies. It surely is a case of "Banish Bully Bowser."

JACK DILLON BEATS GUNBOAT SMITH

Milwaukee, Wis., March 17.—Jack Dillon, of Indianapolis, was awarded the popular verdict over Gunboat Smith in a ten-round decision here last night.

OTTAWA GOVERNMENT MAY ALSO APPEAL

Ottawa, March 17.—The Evening Free Press (Liberal) in an article dealing with elections, says:

"Conservative members are certain that there will be an election. Liberal members expect that there will be and the ministers are saying nothing."

"Both sides seem satisfied. The Conservatives are declaring that the want of confidence motion by the Liberals justifies an appeal to the people. They claim that the truce has been formally and officially broken."

"The Liberals say that if the government thought it could win, it would have the election anyway, even if no amendment had been referred to the budget. They say that while they were keeping political truce, the government had been working upon a political ambush."

"Both parties appear to be cheerful over the prospect of an appeal to the country."

"The government is waiting to hear from the country in regard to the Laurier amendment and Sir Wilfrid's speech. Hon. Mr. Cochrane and Hon. Mr. Rogers are keeping a very close watch upon the country and are receiving reports from agents in all the provinces."

CARRANZA TROOPS CAN'T KEEP ORDER

State of Anarchy Is Said to Exist at Manzanillo.

Washington, March 15.—Wireless reports received today by the State Department from the American consul of Manzanillo says anarchy prevails there, the Carranza troops in possession being unable to maintain order and that the food supply is decreasing.

The Villa-Zapata troops are investing the approaches to the town. Admiral Howard, commanding the Pacific fleet, is understood to be preparing to take foreigners away from Manzanillo if conditions do not improve. Several American ships are in the vicinity.

INTERNED GERMAN SHIP STEALS AWAY

(Special to The Daily News.)
London, March 17.—The interned German liner Macedonia has disappeared from Los Palmas. She had a cargo of war stores and carried wireless. Los Palmas is on the Canary Islands.

ITALY HAS SQUADRON OF FIVE DREADNOUGHTS

Spezia, Italy, March 16.—Vice Admiral the Duke of Abruzzi embarked on his flagship, the new Italian dreadnought Conte Di Cavour, to command a squadron composed entirely of dreadnoughts. The squadron included the Dante Alighieri, Caio Guilio, Cesare and Leonardo Da Vinci. This is the most powerful commission of units that Italy has ever had in one squadron.

HONORS FOR H. M. S. KENT

The silken Ensign and Jack presented to the cruiser Kent in 1904 by the ladies of the County of Kent, having been torn to ribbons in the action off the Falklands Islands, when the Kent sank the German cruiser Nurnberg with the loss of all but seven of her crew, a ladies' committee has decided, with the full approval of the Council of the Association of the Men of Kent and Kentish Men, to replace the tattered flag with new colors. It is also intended to collect the fragments of the original colors and deposit them in some position of honor in the country.

WAR EQUIPMENT BOTHERS KITCHENER

London, March 17.—Progress in equipping Britain's new armies has been seriously hampered by failure to get sufficient labor and the necessary factory facilities. General Kitchener said:

"The supply of war material now and for the next month or two will be a very serious consideration. It is causing me serious anxiety. It is absolutely essential that the output of ammunition must be improved. To do so is of the utmost importance to the operations in the field."

Continuing, he urged firms in certain lines to place their spare labor and machinery at the disposal of the government. He said he considered that men engaged in the supplying of munitions were serving their country as much as the men in the field, and that a medal would be issued to workers on munitions of war on the successful termination of the war.

FAVORITE WHO DID NOTHING MADE A HANDSOME PROFIT

Toronto, March 17.—An editorial comment from The Globe regarding one phase of the boot and shoe scandal follows:

"The Globe hears that a boot contract in which \$3.85, or more, was the price paid by the government was farmed out to a sub-contractor at \$3. Was a profit of 80 or 90 cents a pair on thousands of boots obtained by a favorite who did nothing but pass on the order? The House committee should tackle this side of the case."

FAMINE MAY UPSET THEORIES.

Before the people of Germany starve to death for the glory of the house of Hohenzollern and the military caste they will begin to demand peace at any price. Bread riots upset a good many theories.—Brooklyn Eagle.

OTTAWA IS TALKING ELECTION--LIKELY TO TAKE PLACE IN JUNE

TRUCE TO PARTY POLITICS DECLARED BY SIR WILFRID LAURIER HAS BEEN OUTRAGED BY THE GOVERNMENT—LIKELY TO COME TO SUDDEN END NOW.

(Special to The Daily News.)
Ottawa, March 17.—Election talk is now the general topic of conversation in the corridors of the House. It is believed on all hands that the government will hold a Federal election in June. The Premier has arranged for Saturday sittings.

Truce to Give Way.

The truce to party politics which was declared by Sir Wilfrid Laurier at the beginning of the war is said to have about

reached the breaking point. It has been found out that for some time the government has been sending out campaign literature and the preparations now made for an election is likely to be the last straw.

THE CRADLE.

ALLEN—Born, to Mr. and Mrs. V. D. Allen, at the Prince Rupert General Hospital, March 17, a son.

AN EASY MARK

The humor connected with the Montreal trip of the mayor and Alderman Morrissey is gradually coming to the surface. No doubt they expected that when they got to Montreal the general manager of the bank would be there to meet them at the station; but not only was this denied them, but when they approached his office they were told by the porter that they could not be admitted, and were asked to put their requests in writing. All the business was accordingly done by letter and it is not even known that they saw the face (or the rear) of the general manager at all. Besides that, they were so rattled over the trip that they didn't read their letters till they got home. Incidentally, the trip cost in the neighborhood of \$2,000. Prince Rupert is surely an easy mark.

BRITISH FLEETS AGAIN BOMBARDS THE COAST

(Special to The Daily News.)
Paris, March 17.—The enemy is furiously bombarding Nieuport with 16-inch howitzers. The British fleet vigorously bombarded Westende, and the German reply is feeble. The protecting torpedo destroyers shelled a German submarine which attempted to approach. The use of the warships was directed by aeroplanes.
