SEEDING WELL AHEAD FOR WESTERN CROPS

Saskatoon, Sask., April 30.—Seeding operations are not so far advanced along the more northerly lines of the railway which extends between here and Edmonton as they are in the districts farther south, but nevertheless conditions are favorable, and the country is farther ahead with its spring work by two weeks than at this time last year.

Along the main line of the C. N. R., where the best of last year's crop was to be found, one finds a largely increased acreage prepared for this year's grain. Directly north of Saskatoon the same condition prevails.

Southwest of here, along the Goose Lake line of the C. N. R., much work is being done, but Mr. Fred Engen, who came here from Rosetown, where he is preparing some 5,000 acres of crop, says that too much seed was being sown on stubble in that district. There is pretty good evidence that farmers are making use of every available acre of land that might be expected to yield a harvest next August.

Moisture is needed all through this Saskatoon territory. It is said that about 40 per cent of the seeding has been done in this district, and with continued good weather the bulk of the crop should be in the soil by May 1.

From the scarcity of complaints, it is concluded also that the supply of seed grain in this part of the province has been adequate. Wheat, of course, will be the main crop, comparatively little flax being sown in the Goose Lake country, where so much of it has been grown in former years.

Our fine lines of Ladies' Waists will be sold at a big discount tomorrow at Jabour's Sale. 99-10

VOTE GIVEN TO WOMEN BY THE DANISH DIET

Copenhagen, April 30.—The Danish Diet has adopted an amendment to the constitution giving the vote to women and conferring upon them the right of election to the Diet. The amendment further abolishes the special qualifications which up to the present time have been required for election to the Landstring or Upper House of Parliament.

This amendment has still to be passed by the new Diet, to be elected next month, before it becomes effective.

It is hoped that King Christian will sign the new constitution June 5, the anniversary of the signing of the first constitution in 1849.
