

AFRAID SHE WAS DYING

Suffered Terribly Until She Took "Fruit-a-tives"

ST. JEAN DE MATHIA, JAN. 27th. 1914.
"After suffering for a long time with Dyspepsia, I have been cured by "Fruit-a-tives". I suffered so much that I would not dare eat for I was afraid of dying. Five years ago, I received samples of "Fruit-a-tives". I did not wish to try them but, seeing little confidence in them but, seeing my husband's anxiety, I decided to do so and at once I felt relief. Then I sent for three boxes and I kept improving until I was cured. While sick, I lost several pounds, but after taking "Fruit-a-tives", I quickly regained what I had lost. Now I eat, sleep and digest well—in a word, I am completely cured, thanks to "Fruit-a-tives".

DUKE OF CONNAUGHT OPPOSES ELECITON

Winnipeg, May 7.—The Free Press' Sherbrooke, Que., correspondent says: "At a Conservative meeting Saturday, Hon. C. J. Doherty said the government was preparing for a general election. The persistent opposition of the Governor General to sign the order for dissolution of Parliament while the country was at war was the greatest obstacle in the way of the government. The government has spent \$100,000,000 and another \$100,000,000 was to be spent, and the government wanted to know if the people were satisfied with its acts. An appeal to the electorate was therefore necessary."

ELECTION DURING WAR STILL IN BALANCE

Ottawa, May 7.—The Morning Citizen is inclined to the view that there will be no definite decision in regard to an election before next week. The Citizen points out that only thirty days is required between dissolution and polling day and that if the voting is to take place towards the end of June there is no reason why a decision should be reached at once. J. S. Ewart, K. C., has addressed an open letter to the Prime Minister objecting to an election. Mr. Ewart in his letter says that no British statesman would under conditions existing today do what he says Premier Borden is being urged to do. Mr. Ewart states that in pledging Canada to participation in a gigantic war, the government acted without mandate and that for the immediate submission of its action to the people something of a precedent could have been cited. He maintains, however, that as the people are unanimous in their support of the Motherland the time when such an appeal should be taken has gone by.

DERNBURG DEFENDS USE OF POISONOUS BOMBS

New York, May 7.—Dr. Bernhard Dernburg, former Colonial Secretary of the German Empire, issued a statement relating to the use of asphyxiating gases by the Germans in trench warfare. "Dr. Dernburg asserted that when there was published last November reports of a French invention for the purpose of asphyxiating enemies by nauseating gases the ending of the war in favor of the Allies was predicted "with a great deal of satisfaction" by the American press.
"But as soon as the Germans used the same kind of weapon in the battles around Ypres the denunciation of Germany for following the practice of her adversaries has been rampant, and the most invective sort of epithets has been employed."
This was cited as an illustration of the reason why German sympathizers in America consider the United States press unfair and unneutral.

FREE TRIP TO BRITAIN FOR OVERSEAS WORKMEN

London, May 7.—Free trips to Britain and return are foreshadowed for skilled workmen in the United States and in the colonies of Great Britain who are willing to fill the shortage among the armament firms in the British Isles.
Francis D. Acland, Financial Secretary of the Treasury, announced in the House of Commons that the government was taking steps to obtain such help in the production of munitions of war. Free transportation would be arranged, he said, if suitable labor were discovered without displacing the men already effectively engaged in those countries.
