AMBASSADOR GERARD SECURES A PROMISE CONCERNING CAPTIVES

London, May 8.—A British announcement issued says Germany is arranging through the American ambassador to accord exactly similar treatment to the British officers who have been especially confined in Germany as that given by Great Britain to German submarine prisoners.

W. H. Page, the American ambassador here, communicated to the Foreign Office a telegram from James W. Gerard, the American ambassador in Berlin, on the treatment of British officers under arrest in Germany as a reprisal measure for the treatment of German submarine prisoners by Great Britain, the text of which says:

"Each officer is in a clean cell and is allowed baths, books and packages. They are permitted to smoke and have one hour of exercise in the morning and another hour of exercise in the evening in the prison yard. During these exercise hours they can talk together. Their food is good. They have no complaints to make except that they are so arrested. The German government will follow exactly the treatment given its submarine crews. These officers will again be treated like other prisoners of war the instant the submarine crews are so treated in England."

TOO MUCH GAMBLING GOING ON IN CLUBS

Vancouver, May 8.—The Board of Police Commissioners at their last meeting decided to take up with the provincial authorities the question of the cancellation of certain club licenses granted under the Benevolent Societies Act, it being alleged by Mayor Taylor that there was an undue amount of gambling going on in these premises.

The Attorney General will be asked by the board to make the chief of police a justice of the peace in order that warrants and summonses may be taken out without delay.

BOARD OF TRADE.

The regular monthly meeting of the Board of Trade took place last night in their rooms on Second Avenue.

Among other businesses discussed it was decided to press upon the government the making of this the home port for the S.S. Estevan. She now makes Victoria her home port, while most of her duty is in the North.

The proposals of the board to co-operate with the Northern B. C. Agricultural Association was accepted by that body and Mr. Wright, the commissioner, will attend to both concerns.

Financial matters are pressing upon the board and it was decided to approach the City Council for assistance.

It was also decided to continue the luncheons on board the G. T. P. boats if arrangements could be satisfactorily arranged.

St. John Ambulance Association was granted the use of the board's rooms for their meetings.

Mr. and Mrs. J. T. Gilmore left last night on the Maquinna on a visit to the Panama-Pacific exposition. They intend to proceed to Toronto via the Panama Canal. Mr. Gilmore has been on The Journal staff for the past three years.

GIVES GREAT BRITAIN AN INSIGHT INTO COST OF TITANIC STRUGGLE

London, May 8.—In one of the shortest budget speeches on record, he being on his feet a little over an hour, David Lloyd George, the Chancellor of the Exchequer, gave the British public further insight Tuesday into what the war is costing the nation. The expenditure at present, Mr. Lloyd George said, was \$10,500,000 daily and he added that if the war continued for a year Great Britain's bill would be upward of \$5,000,000,000.

The debt of the country according to Mr. Lloyd George already stood well over the \$5,000,000,000 mark.

Chancellor No Prophet.

The chancellor declined to predict the length of the war. He introduced no measures calling for new taxes, although he hinted that such a step would have to be taken. There was little discussion of the budget itself and the income tax resolutions were passed before the House adjourned.

Mr. Lloyd George said he was able to report that the revenue of the country had exceeded the estimates and that the surtax and income taxpayers were sending in their money with unusual celerity.

The Chancellor's speech was taken to indicate that at some future date Mr. Lloyd George would propose a huge loan to finance the war further for a period of six to twelve months.

C. N. R. HAS FAILED TO PAY DIVIDEND

London, May 8.—The Canadian Northern Railway Company has failed to pay the dividend due on May 2 on the \$25,000,000 issue of 5 per cent debentures stock. In making this announcement the directors say that they see no prospect of paying the next semi-annual dividend on this issue, due on November 2, but that they hope to resume dividend payments next year. The stock is non-cumulative and therefore the holders must count on the total loss of this year's dividends.
