

# A POSITIVE CURE FOR RHEUMATISM

Hundreds of People Have Found "Fruit-a-tives" Their Only Help

## READ THIS LETTER

Superintendent of Sunday School in Toronto Tells How He Cured Himself of Chronic Rheumatism After Suffering for Years.

55 DOVERCOURT ROAD, Oct., 1st, 1913.

"For a long time, I have thought of writing you regarding what I term a most remarkable cure effected by your remedy "Fruit-a-tives". I suffered from Rheumatism, especially in my hands, and I have spent a lot of money without any good results. I have taken "Fruit-a-tives" for 18 months now, and am pleased to tell you that I am cured. All the enlargement has not left my hands and perhaps never will, but the soreness is all gone and I can do any kind of work. I have gained 35 pounds in 18 months".

R. A. WAUGH

Rheumatism is no longer the dreaded disease it once was. Rheumatism is no longer one of the "incurable diseases". "Fruit-a-tives" has proved its marvellous powers over Rheumatism, Sciatica, Lumbago—in fact, over all such diseases which arise from some derangement of stomach, bowels, kidneys or skin.

"Fruit-a-tives" is sold by all dealers at 50c. a box, 6 for \$2.50, trial size, 25c. or sent postpaid on receipt of price by Fruit-a-tives Limited, Ottawa.

## BRITISH TRADE UNIONISTS WILL DELIVER THE GOODS

The following was recently sent by the trade unions of the shipbuilding and engineering trades of the northeast of England to Mr. Asquith, in response to speeches and articles reprimanding the men for slackness in these strenuous times: "We, representing the trade unions in the shipbuilding and engineering trades of the North-East Coast, welcome most heartily the establishment of a committee on which the working men, the employers, and the government departments are represented. We do not want any more speeches about the failings of the workers, the employers, or the government. We want to pull together, and get on with it. You may tell Lord Kitchener that we shall deliver the goods. The working man of the North-East Coast will do his bit. We hope for our part that you may find it possible to be present at the first meeting of the committee, which we understand will be called for Thursday next.

"J. WILE, President.  
"D. HEBRON, Secretary."

## GERMAN EXCUSE FOR USING DEADLY GASES

The Frankfurter Zeitung, in its defence of the employment of the asphyxiating gas bombs, asks whether the enemy really believes it makes any difference whether hundreds of guns and mortars and hundreds of thousands of grenades of all calibres are thrown into a small district, tearing away every living thing to pieces, and making the German trenches an inferno, as at Neuve Chapelle, or whether the Germans fling grenades that spread gas not more deadly than the poison of the English explosive, but spreading over a wider area and obtaining its end more quickly and without the pain and suffering of torn bodies.—Ex.

## SMITH-DORRIEN DISCUSSES TERMINATION OF STRUGGLE

Montreal, May 8.—Discussing the duration of the war in an address he delivered to the officers and non-commissioned officers of the Canadian contingent upon their removal from Neuve Chapelle to Ypres, General Smith-Dorrien said:

"No one can say definitely when the war will end. As you know, we are optimistic out here, and rightly so. I do not say the war will end in one or two months, but I think I can promise you that there will not be another winter campaign. We know that Germany's reserves of fighting men are nearly exhausted. They have one more reserve to draw on; when this is trained and put in the field they will have used every available man. We are satisfied of this; so is General Joffre." General Smith-Dorrien's ad-

## Coughing scatters germs — Stop it

Coughing increases the irritation of the already inflamed mucous membranes and is moreover apt to carry disease to others. Mathieu's Syrup of Tar and Cod Liver Oil promptly stops coughing, and soon, thanks to its tonic properties, effects a permanent cure. The wonderful popularity of Mathieu's Syrup of Tar and Cod Liver Oil is especially due to its great value as a permanent lung and bronchial healer. Sold everywhere, 35c large bottles.

**B.C. MILK**  
B. C. MILK is much superior to fresh milk for all purposes. It is especially adapted as a food for invalids, or persons with poor digestion, owing to the fact that in sterilizing it is heated to an even higher degree than ordinary pasteurization heat. THIS INSURES ITS SAFETY. It has the NATURAL FLAVOR.
