

PORT SIMPSON DEFEATS RUPERT AT BASEBALL

Accompanied by about thirty loyal rooters, those frisky Colts journeyed to Port Simpson and were defeated in a good nine-inning game by the strong Simpson team.

Although beaten in the game, the boys from Rupert excelled in athletic events. A. Pescott won the 440-yard dash. A relay team composed of Fred Gilhuley, W. Anderson, Bill McLeod and A. Pescott were winners in that event, while the base running of Ben McDaniels against time, winning easily in 14 seconds flat, nearly equalling the world's record of Hans Lobert, was another feature.

Short speeches by Indian Agent Perry and Chief Dudoward, followed by dancing in the evening, completed a very enjoyable excursion.

LOCAL PROSPECTOR DESCRIBES SEWARD

The Daily News has received a letter from Lewis Duncan, the well known prospector of Hazelton and Prince Rupert, who is now at Seward, Alaska.

Mr. Duncan states that railroad construction is not expected to start until the middle of July. There are several hundred men working at Ship Creek, but there are far more men than jobs, and it is a good place for the laboring man to stay away from in the meantime.

The writer says that real estate in Seward is advancing by leaps and bounds, inside business property selling for from \$8,000 to \$12,000 per lot, and corners fetching \$15,000 to \$17,000. Seward has a population of about 3,000 people. For the present, anyone building has to bring lumber in from the outside. There are two lumber mills in Seward, but only one is in operation and cuts only 6,000 feet per day. The other has been purchased by the United States government.

GREAT MILITARY FILM AT WESTHOLME THEATRE

The Westholme opened last night with a great five-reel production depicting the taking of Quebec by the British under Wolfe. The scenes are most realistic, showing the British sailing ships coming up the St. Lawrence, and landing troops to attack the forts held by Montcalm. Perhaps the most striking scenes are those of the fireships, set afloat by the French, drifting down towards the anchored fleet in the night. The defeat of the first British attack is faithfully portrayed, followed by the night landing and the climbing of the cliffs to the Plains of Abram, culminating in the taking of the citadel by the British.

A love story running through the piece adds a touch of romance, and throughout it is one of the most stirring films seen in this popular house. The orchestra helps out the effect beautifully by playing military music suitable to each little episode, even the boom of the guns being sounded.

A splendid Pathe Gazette and "A Proposal Deferred," featuring Mary Fuller, complete a program well worth seeing.

TRADES AND LABOR COUNCIL MEETING

The semi-monthly meeting of the Trades and Labor Council was held in the Carpenters' Hall on Tuesday night, when Organizer Denning presided over a large attendance of delegates, President S. D. Macdonald being unavoidably absent.

The minutes of the previous meeting having been read and approved, the Market Committee reported progress, as did the Committee on Industrial Training and the Labor Temple Committee.

The report of the organizer was received and adopted. Secretary Thomson notified the delegates that he had received several copies of the proposed Workmen's Compensation Act, as ordered from Victoria.

The question of the dismissal of Miss Nauman, a member of the Musicians' Union, from the Westholme Theatre orchestra was discussed, a committee being appointed to act in conjunction with the Musicians' Union. From the expressions of the delegates to the council, it would appear that a very grave injustice has been done to Miss Nauman.

The labor representatives of the City Council were in attendance to discuss certain matters with the trades and labor delegates. The council adjourned at 11 p. m.
