

TORTURED BY CONSTIPATION

"Fruit-a-tives" Cured Paralyzed Bowels and Digestion

DR. BONIFACE DE SHAWINIGAN, QUE.
Feb. 3rd, 1914.

"It is a pleasure to me to inform you that after suffering from Chronic Constipation for 2½ years, I have been cured by 'Fruit-a-tives'. While I was a student at Berthier College, I became so ill I was forced to leave the college. Severe pains across the intestines continually tortured me and I came to a point when I could not keep down at all, and my Digestion became paralyzed. Some one advised me to take 'Fruit-a-tives' and at once I felt a great improvement. After I had taken four or five boxes, I realized that I was completely cured and what made me glad, also, was that they were acting gently, causing no pain whatever to the bowels. All those who suffer with Chronic Constipation should follow my example and take 'Fruit-a-tives' for they are the medicine that cures".

DOES THE PROFESSOR NOT WANT CANADA TOO?

The German Press has not discussed peace terms very freely, believing now that peace on any terms is still far off. But Prof. Ernst Haeckel has made up for the reticence of the press by formulating some peace terms of his own. Here is what the veteran scientist thinks necessary both for the future of Germany and a federated Europe:

"(1) The crushing of the English tyranny.

"(2) The invasion of Great Britain and the occupation of London.

"(3) The division of Belgium. The largest portion, from Ostend to Antwerp in the west, to be a confederated German State; the northern part to be given to Holland; the southeastern part to be given to Luxemburg, which, thus enlarged, becomes also a confederated German State.

"(4) A large number of the British colonies and the Congo Free State to go to Germany.

"(5) France to surrender to Germany some of her northeastern frontier provinces.

"(6) Russia to be rendered impotent by the reconstitution, under Austrian auspices, of the kingdom of Poland.

"(7) The German provinces of the Baltic to be returned to the German Empire.

"(8) Finland, united with Sweden, to become an independent kingdom."

It would be interesting to know what is to happen to Canada when British tyranny is crushed. Is the Dominion one of the large number of colonies that must go to Germany, or will its position on the North American continent save it from that fate? Prof. Haeckel might have been somewhat more considerate. If he does not want Canada it would be a courteous and kindly thing to tell Canadians so at once instead of leaving us under the harrow of uncertainty.—Toronto Globe.
