"Fruit-a-tives" Keeps Young And Old In Splendid Health

J. W. HAMMOND Esq.  
SCOTLAND, ONT., Aug. 25th, 1913  
"Fruit-a-tives" are the only pill manufactured, to my way of thinking. They work completely, no gripping whatever, and one is plenty for any ordinary person at a dose. My wife was a martyr to Constipation. We tried everything on the calendar without satisfaction, and spent large sums of money until we happened on "Fruit-a-tives". I cannot say too much in their favor.

We have used them in the family for about two years and we would not use anything else as long as we can get "Fruit-a-tives".

Their action is mild, and no distress at all. I have recommended them to many other people, and our whole family uses them".

### THE GREAT WORK OF THE ALLIED NAVIES

The following is from a recent issue of the Naval and Military Record:

"The magnitude of the task which the navies of the allied powers have performed since the outbreak of the war is in a measure indicated by the fact that a year ago the actual tonnage of Germany's merchant shipping stood second in the world, and in eight months the German flag has been swept off the seas. This means that the enemy's mercantile marine, which consisted of 2,388 steam and sailing vessels, with a total tonnage of nearly 5,500,000, has been paralyzed, so that, apart from the fact that the enemy's food supply has been jeopardized, the income of the holders of shares in many of the shipping companies has been depleted almost to vanishing point.

"This has already been shown by the reports of some German steamship companies for 1914, and now the report for the Reederei Aktiengesellschaft of Hamburg permits of a comparison in the case of sailing ships. According to The Financial Times, the Reederei is the biggest concern in Germany engaged in the sailing ship trade, and formerly had a wide connection, mainly in South American ports. The break of hostilities brought the earning power of the company to a complete end, and eleven vessels were captured."
