

GOING MAD FROM THE TERRIFIC PAIN

Prominent Merchant Thinks His Life Was Saved By "Fruit-a-tives".

DRYSDALE, ONT., JUNE 15th, 1913.

"I am a general storekeeper at the above address, and on account of the great good I have experienced from using "Fruit-a-tives", I recommend them to my customers. They were a boon to me, I can tell you, for about two years ago, I was laid up in bed with vomiting and a terrific pain at the base of my skull. The pain nearly drove me mad. Doctors feared it would turn to inflammation of the brain, but I took "Fruit-a-tives" readily until I was cured. I have gained fifteen pounds since taking "Fruit-a-tives", and I verily believe they saved me from a disastrous illness".

MAIL POUCH RIFLED ON STEAMER MARIPOSA

Seattle, June 1.—The opening of one of the mail pouches on the steamship Mariposa during her recent trip from Alaska to Seattle is being investigated by the postoffice inspectors.

Before the Mariposa arrived here J. H. Thawites, mail clerk aboard the steamer, reported that while he was at dinner the mail room had been opened and one of the pouches rifled. Local inspectors were notified by wireless and a search of the steamer was made, also a surveillance kept on the passengers and the members of the crew.

The value of the pouch's contents is not divulged. It is believed that it contained a shipment of gold dust. Some of the currency shipped from Seward, Cordova, Juneau, and other points in Southeastern and Southwestern Alaska is reported missing.

We brag about freeing the black slaves, but nobody seems to be doing anything for the woman who becomes the mother of seven or eight children.

There are various methods by which a man may advertise the fact that he is bald, but probably the most effective method is to wear a wig.

SEVEN RUSSIAN GENERALS FIRED

Petrograd, May 31.—Seven generals of the Russian army have been removed from their commands as a result of the recent Austrian successes in Galicia. They have been retired. Five others have been relieved of field service and attached to the commissary and the transportation departments.

The change in personnel of commanding officers has been expected ever since Emperor Nicholas left for the front, and it therefore caused no surprise here. The names of the generals removed from active service have not yet been made public.

U. S. CRUISER NORTH CAROLINA AGROUND

Washington, May 31.—The United States cruiser North Carolina is aground within the outer harbor of Alexandria, Egypt, according to a report to the Navy Department by her commander, Captain J. W. Oman, who says the ship is undamaged and that dredging operations will be undertaken to release her.

Efforts made yesterday to release the North Carolina, Captain Oman reported, had failed. The cruiser Des Moines has arrived off Alexandria as relief to the North Carolina in Mediterranean waters.
