CANADIAN LAKE LINERS RANK WITH WORLD'S BEST

Mrs. Ruth Kerzie WoodThompson whose travel books on Russia, Spain and other European countries are standard works, and who is now on her way to Alaska, declares that the Canadian steamships on the Great Lakes compare favorably in the matter of service with any liners afloat.

In the letter to Mr. E. W. Holton, General Passenger Agent, Northern Navigation Co.—Grand Trunk's Lake and Rail route between Eastern and Western Canada—Mrs. Thompson says, "We found the service on the S. S. Hamonic of your line quite equal to that of the best European hotels, and the best Atlantic liners. The housekeeping is perfection, and the courtesy of the officers and attendants most exceptional. We have travelled so much in every part of the world that we feel that we observe with expert eyes. This vessel impresses us as favorably as any we have been on and certainly we have never had kinder attention."
