Please state what use the city has for a city solicitor during these hard times. Why not dispense with his services and save \$250 additional per month?

Why continue to employ the present superintendent of Light and Telephones at \$200 per month, when his duties can be performed by the city engineer, whose services the city should retain, and thus curtail another \$200 per month?

Sir—Are we right in putting all the blame for this awful war on the Germans?

To be true to her ideals Britain most certainly was compelled to stand by her "scrap of paper."

Bear witness to the German toast, "To the Day."

Realizing these views might be considered by some pro-British, I sign myself,

## Dr. Price's CREAM BAKING POWDER

There is no alum in Dr. Price's Cream Baking Powder. The names of its ingredients, printed on the label of every can, show it to be made from Cream of Tartar, which comes from grapes.

No alum baking powder or food containing alum is permitted to be sold in many countries. To avoid alum read the label and use only baking powder made from cream of tartar.
