

FAR FROM THE CITY'S WITHERING HEAT —and Eagle Brand awaits you

A chip of the old block, this brown little scamp—vigorous and lusty, brimming with life. Eagle Brand gave him a good start, just as it gave his father a good start 30 years ago. Many poor little babies do not go away through the hot spells. Mothers fear strange milk in a strange place may carry hot weather troubles. Feed your baby Eagle Brand and be safe. Seashore or country or stay-in-the-city, Eagle Brand is always uniform.

If nature's own food is insufficient, use Eagle Brand—pure, wholesome and easily digested. It is prepared from rich cow's milk and has been the standard infant food for 65 years.

Economical too. At all groceries and drug stores.

Gifts to Women Who Use Jiffy-Jell

Jiffy-Jell users should write to the makers for a list of aluminum molds. Molds, spoons and measuring cups are supplied to users free.

Jiffy-Jell is the one dessert which has the fruit flavors in vials. A bottle of condensed fruit-juice essence comes in the package. So a Jiffy-Jell dessert is a real-fruit dainty. The flavor is not artificial. The sweetening is sugar, not saccharine. Women who once try it will always get it. Your grocer has ten flavors. Try pineapple and loganberry first.

TO FREE STRIKE LEADERS IS AIM

Alderman Casey Would Have City Council Pass Resolution With Such Recommendation to Minister of Justice.

Moved by Alderman Casey and seconded by Alderman Kerr, the following motion is to be brought up at next week's council meeting:—

"Whereas democracy has been the slogan of all governing bodies in the Dominion of Canada and, whereas, democracy has vindicated the strike leaders in the Winnipeg strike through the decision of the electors in the recent election in that province, and

"Therefore be it resolved by this body, the Prince Rupert City Council, that in the name of the spirit of democracy we respectfully request the Honorable Minister of Justice, Charles E. Doherty, to restore to their liberty, home and duties the following named strike victims: Ivens, Queen, Armstrong, Johns, Russell, Pritchard, Farnell and Bray."

In speaking on the resolution last night, Alderman Casey stated that as a result of the recent provincial election in Manitoba, Gideon Robertson and Arthur Meighen should now feel indeed small. To have an outside body like the city council pass such a resolution would be a great stimulant. Attention was drawn to the report that the New Westminster Ministerial Association had adopted a similar resolution.

An Important Announcement to the people of Prince Rupert

We have long realized the necessity of a good phonograph, which would play ALL records CORRECTLY.

We knew that, when such a phonograph could be designed and produced to play properly any record, that it would immediately be the people's choice.

That "Final Phonograph" has at last been produced and is being made in Canada.

IT IS

The Brunswick

ALL PHONOGRAPHS IN ONE

NO LONGER need your selection of records be limited. The pleasure of hearing ALL ARTISTS may now be yours, through the possession of this ultimate phonograph made by the famous Brunswick-Balke-Collender Co., of 79 years experience in the wood-craftmanship.

Among the many features that combine to raise the Brunswick above all other phonographs is the "ULTONA" reproducer which, by the mere turn of a hand is adapted to any make of record, and the ALL-WOOD SOUND CHAMBER—built like a violin.

We take pleasure in announcing to the people of Prince Rupert that we have secured the representation of this "All Phonographs in One" and invite everyone to call and hear the true, natural tone which this musical instrument possesses.
