

Use Doesn't Harm It!

There is this in favor of the new idea of using silverware instead of keeping it to "look at" only, that using it doesn't harm it in the least. It is made to be used—in fact there is nothing else in the home that will so well stand ordinary usage as silverware.

Fine silverware is a handsome addition to the home. Used regularly, its value increases ten-fold. It means "Use Your Silverware."

ALD. PERRY CRITICIZES PROCEDURE

In Discussing Point of Order, Mayor Reminds Him That Certain Decorum Must be Maintained.

Speaking of the matter of his being ruled out last Monday night when attempting to get a hearing on the "Retailer of Beverages" by-law before the third reading after coming out of committee, Ald. Perry stated that if such ruling was according to municipal procedure he would move an amending rule to that.

The mayor stated that he had not ruled out Ald. Perry so much from the standpoint of procedure but on account of the manner in which he had started his remarks, saying that "it gave him a pain in the spine and was all bosh." A reasonable amount of decorum must be sustained in such discussions.

Ald. Perry thanked the mayor for the explanation, remarking, however, that he had not considered Ald. Dybbavn's objections were on those grounds.

For the entertainment of the visitors, Mr. J. S. Gray is busy arranging a program, which will be in the nature of a sacred concert to be given in the town hall. Local and district talent is being urged into participation and it is expected there will be a large attendance.

"MARKET OF SOULS" UNUSUAL TYPE PLAY

Said to be Dorothy Dalton's Best Appearance—Spiritualism in the Theme.

It is claimed that the "Market of Souls" shown at the Westholme Theatre last night and to be repeated tonight is the best thing that Dorothy Dalton has yet been seen in. It is a picture with a striking theme and a climax that is seldom excelled, in fact, it is one of the unusual pictures.

Spiritualism is involved somewhat in the story and makes it doubly interesting. Besides the superlative acting of the great emotional actress the picture has high class production authorship, direction and production.

M'CARTHY WINS OVER ROUGH HOUSE BURNS

Burns Did Best Infigthing But McCarthy Kept Out of Clinches and Won on Points.

Charlie McCarthy of Calgary won a fifteen-round decision over "Rough House" Charlie Burns, Vancouver, at Fernie on Dominion Day. McCarthy outpointed Burns all through the contest although Burns carried out the reputation of rough house through his boring in tactics from the beginning to the end of every round, and he certainly had the better of the exchanges in the infighting. McCarthy was clever enough, however, to keep out of clinches.

PIONEER MISSIONARY HERE FROM THE NAAS

Enthusiastic Over the District; Discoveries in Indian Language

Rev. J. B. McCullagh of Aiyahsh, Naas River, is in the city and expects to remain for a week or two. He is just as enthusiastic as ever over the wonderful possibilities of the Naas and the need of development there. He says that a road over the divide from Kitsumkalem would be easy to construct and it would open up a splendid agricultural and mineral country.

Mr. McCullagh has made an intensive study of the language of the natives and his research should prove of great scientific value. Possibly readers of the Daily News may have an opportunity to read of some of these in the near future.

FISHING SCHOONER WAS AGAIN IN TROUBLE

New England Has Trouble with Propeller Blades—Is Back in Dock.

The trawler New England went in drydock yesterday afternoon for repairs to the propeller blades. It was only a week ago that this same boat came off the dock after having undergone similar repairs.

Leaving here early last Tuesday morning she struck a log on the way north which caused the present damage. The new blades arrived by the Princess Mary yesterday afternoon. Manager Jas. Lee of the New England Fish Co. here, received word that the propeller blades were being sent but he did not understand why as he had not been informed of the accident on the way to Ketchikan.
