## The Only Dessert of This Kind

There are numerous forms of quick gelatine desserts. But Jiffy-Jell is the only one with the real-fruit flavors sealed in glass.

They crush the fruit, condense the juice and seal it. A bottle of the liquid fruit essence comes in the package of Jiffy-Jell. In a moment's time you can prepare a delicious fruit dessert.

Sugar is used in Jiffy-Jell—not saccharine. And real-fruit flavors in place of artificial. It will give you a new conception of these delightful dainties.
