**NEW COAL MINE SHIPPING HERE**

MacLeod River Hard Coal Mine is Owned by Nick Gurchiv—4 Cars a Week

Regular shipments of coal are now being received in the city from the MacLeod River coal mine which is owned and operated by Nick Gurchiv, of this city. Recently Mr. Gurchiv bought his prospector partners out and so is now sole owner of the property, which now employs thirty men. The MacLeod River mine is located about 800 miles from here on the line of the Grand Trunk Pacific Railway near Edson.

This mine was opened up four months ago and its coal has been coming to Prince Rupert for two months. Eight carloads were received here last month and besides this some of the output is being sent to Edmonton. The present production is 4 carloads a week, but in the course of two months' time, when the working crew will be doubled, it is expected to send out from ten to fifteen. Mr. Gurchiv is foreman at the mine and Thomas Trotter is local agent at Prince Rupert.

**ENGLISH FEATURE AT SHOW TONIGHT**

Lily Elsie, Famous British Operatic Star, Takes Leading Role in "Comradeship."

"Comradeship," an English film written and produced in the old country, is the feature at the Westholme tonight. Miss Lily Elsie and Gerald Ames are the stars and will be especially pleasing to old country people. Miss Elsie will be remembered as the original "Merry Widow" in the opera of that name. It was this young lady who made the "Merry Widow" hat such a rage a decade ago.

This is Miss Elsie's first and only appearance in the movies, and the production on that account has cost an enormous sum. Tonight's bill also includes a Mutt and Jeff comedy and a Canadian Kinogram showing the latest events in Canada made doubly interesting by their picturization.
