**\$4 Saved  
Two  
Fingers**

The fingers were those of Mr. J. W. Bernard, of 539 Craig St. E., Montreal. He says, "A falling beam badly smashed my hand. Two fingers were so severely crushed that the doctors said they would have to be amputated. Naturally I didn't want this, so decided to try Zam-Buk first. Applied Zam-Buk daily, and by the time I had used \$4 worth, the injury was completely healed. My fingers were saved!"

Just another illustration of the healing power of Zam-Buk. Accidents will happen. It may be your turn next. Better get a box and keep it handy. Accidents are less frequent than skin diseases, and remember this—

Zam-Buk is just as good for eczema, ulcers, skin diseases, and piles, as for cuts, burns, bruises. All druggists and stores 50c. box, or 3 for \$1.25. Refuse substitutes.

### Sport Briefs

On account of the summer holidays the fixtures of the Junior baseball league have become rather broken up. A number of the young players have left the city and other such influences have hindered the steady playing of games. Mr. Cash, the energetic manager of the league, will probably organize some new teams from the young fellows who like baseball, but have been unable to get on the teams of the intermediate league.

Tonight the Colts and the Sawmill baseball teams meet on the Acropolis Hill grounds in an intermediate league game. Both parties are keen to win and will satisfy all the fans with a good fast exhibition of ball-playing.

On Saturday afternoon a party of swimming enthusiasts made the trip over to the Salt Lake and put in a few hours in bettering conditions for swimmers. Apart from the work done the officers of the club and others had considerable discussion in regard to the new classes which have been established and how beneficial they will be for everyone. Schemes were also advanced for the successful launching of a swimming gala before the season ends.

In the recent football game between the Callies and the Trail Club Jack Stewart of the Scotsmen's eleven showed up to fine advantage on the back line. He was playing against two very fast men in Gummings and Conlin but proved to be their match in most of the clashes.
