ENJOYABLE TIME AT BAPTIST PICNIC

Members of Sunday School Visit
Digby Island for Their
Annual Event.

Yesterday was a great day for
the members of the Baptist
Church Sunday School, for it was
their annual picnic day and the
weather was perfect. The young
people, ninety in number, crossed
to Digby Island in the "Oh Baby"
and spent the afternoon on the
beach where they indulged in
games and sports.

The teachers of the school,
headed by superintendent P. Lin-
zey, took charge of all the ar-
rangements, committees to handle
the sports and the refreshments
have been chosen from among
them.

They were a satisfied but tired
lot of children that returned in
the evening.

CITY VS. ALL STAR

Ball Game Saturday Evening will
Prove Interesting Event.

On Saturday evening a baseball
game has been arranged between
the city senior team and an all-
star aggregation from the inter-
mediate league with the game
called at 7 prompt. Particular
interest is being taken in Rossen,
a new pitcher who recently ar-
rived from Victoria. He is 6 ft.
3 ins. and will make his first
workout with the senior team on
Saturday night before local fans.
The game promises to be a very
keenly contested affair as the
young fellows are very eager to
make a good showing in front of
their elders, but in their own
estimation by no means superior.
The senior players will be se-
lected from the following: Gorkie,
Rossen, Stiekney, V. Menzie, Har-
dy, Anderson, Cummings, Clem-
entson, H. Menzie, Farquhar and
Day.

Intermediate—Curtis, Tulloch,
Butler, Roberts, Astoria, Mitchell,
Sherman, Shaw, Miggins, Ratch-
ford and Fowler.

LOCAL NEWS NOTES

The Grand Trunk tug Lorne is
still in port awaiting orders to
proceed on another towing trip.

The barge Will W. Case is dis-
charging a large cargo of coal
at Albert & McCaffery's wharf to-
day.

Among those leaving for up-
river by the train yesterday were
Mrs. H. S. Parker and daughter
Leona.

A great many people visited the
Salt Lakes yesterday afternoon,
taking advantage of the hot weat-
her to enjoy a swim.

Among those leaving for the
south on the Prince Rupert to-
night is Howard Frizzell who is
taking a vacation trip to southern
coast cities.

H. W. G. McAllister and Albert
Palliser of Ocean Falls were
among those arriving from the
south on the Grand Trunk boat
yesterday afternoon.

The fishing boat King & Winge
of the National Independent Fish-
ing company arrived from the
banks this morning with 130,000
lbs. of halibut. Discharging com-
menced this afternoon at one.

The fire department had a call
to Sixth Avenue and McBride St.
yesterday afternoon when part of
the plank roadway was on fire.
Apparently a match which had
been thrown away while still lit
had caused the conflagration.

The Tinkers baseball team will
be represented by the following in
the match to be played with the
Chaffeurs tonight: Curtis, Ross-
iter, Robinson, Astoria, Cummings,
Crossley, Smith, Ratchford and
Laporte.

Yesterday afternoon the Pio-
neer Laundry car was removed
from its watery lodging place by
means of a rope and tackle. A
few stalwarts soon brought the
undamaged car back to the rail-
way grade. It was undamaged as
the water had stopped its fall in
spite of the fact that the down-
ward journey only ceased when
the radiator came in contact with
a pile.

CIVIL SERVICE

To the Editor,

In your report of the meeting
between Mr. McInnes, civil ser-
vice commissioner, and the local
service workers, Mr. McInnes is
quoted as having told the meet-
ing that he interviewed a mem-
ber of the local school board as
to the reason for paying the
school teachers fifteen per cent
more than the Vancouver schedule
and that the member of the board
replied it was on account of the
scarcity of teachers.

Now, Mr. Editor, I was the
member interviewed on the sub-
ject and I did not tell Mr. McIn-
nes any such nonsense. I told
him it was because we considered
the cost of living higher in Prince
Rupert and also as an inducement
to bring the best teachers here.

I never suggested the scarcity
of teachers and, as a matter of
fact, there is no scarcity of teach-
ers as our secretary is swamped
with applications whenever we
advertise for teachers.

I cannot understand why the
civil service commissioner should
attempt to so distort facts unless
it is in order to fit them into an
opinion already formed before he
came here. No wonder there has
been so much objection through-
out the province to his methods.

The local civil service, as a
whole, is underpaid and every
fair-minded man knows it.

L. W. PATMORE.

WATER NOTICE (USE AND STORAGE)

TAKE NOTICE that Taylor Mining Com-
pany Limited, whose address is 607 Credit
Fondier Building, Vancouver, B. C., will
apply for a license to take and use 50
cubic feet per second and to store 2,500
cubic feet of water out of Clearwater Creek,
a tributary of the Kitimat River, which
flows westerly and drains into the Kitimat
River about 23 miles north of Alice Arm,
in the Province of British Columbia.
The storage dam will be located at the
outlet of Clearwater Lake. The capacity
of the reservoir to be created is about
2,500 acre feet and it will flood about
200 acres of land. The water will be
diverted from the stream at a point about
the outlet of Clearwater Lake, the exact
position of which will be determined after
survey, and will be used for power pur-
poses upon the territory described as an
area of 10 miles radius from the Wolf
Group of Mineral Claims near the Kitimat
River.

This notice was posted on the ground
on the 29th day of June, 1920.
A copy of this notice and an application
pursuant hereto and to the "Water Act,
1914," will be filed at the office of the
Water Recorder at Prince Rupert in the
Province of British Columbia.
Objections to the application or petition
may be filed with the said Water Recorder
or with the Controller of Water Rights,
Parliament Buildings, Victoria, B. C., within
thirty days after the first appearance of
this notice in a local newspaper.

The territory over which the power will
be distributed is an area of 50 miles
radius from the Wolf Group of Mineral
Claims near the Kitimat River.
The petition for the approval of the
undertaking will be filed in the office of
the Controller of Water Rights and with
the Water Recorder at Prince Rupert
aforesaid, and will be heard in the office
of the Board of Investigation at a date
to be fixed by the Controller of Water
Rights, and any person interested may
file an objection thereto in the office of
the Controller of Water Rights or of the
Water Recorder at Prince Rupert aforesaid.

'WESTERNERS' AT WESTHOLME

Big Film to be Seen is From the
Celebrated Novel.

An unusual and distinct melo-
drama "The Westerners" will be
shown at the Westholme Theatre
tonight. In the story Michael La-
fond, Iroquois half-breed, is
driven from the caravan of pio-
neers for insulting Prue Welch,
wife of a New England scientist,
who is bound for the Black Hills
to study the country. To revenge
himself, Lafond turns Indian and
leads a band of Sioux into the
Hills. He murders Prue and es-
capes with her baby daughter,
Molly.

Lafond is unable to complete
his revenge by killing Jim Buck-
ley, the scout who drove him out
of the expedition. The half-breed
determines to return to the ways
of the white man and hides his
time. The culmination is excit-
ing.

BEAVERS CELEBRATE

Ball Team Receives a Crate of
Cherries from Manager
Miss Mills.

A large crate of cherries has
been sent to the Beaver baseball
team by Miss Mills who is in Vic-
toria attending the summer school
during the vacation. On the box
are written the significant words
"Direct from producer to con-
sumers." A picture of the team
will be taken on the grounds to-
night which will include all Bea-
vers and ex-Beavers. Here also
the cherries will be distributed
and a general celebration held,
made possible through the kind-
ness of the manager who has
dropped active work with the team
for a short time.
