INQUEST HELD ON VICTIM OF GERMAN MURDERER STRIKE AT PREMIER TO BE FOLLOWED BY INSTALLING CYANIDE PLANT

Cyanide Process Plant to be Installed at Premier Mine

R. K. Neill announces that gold and silver bars will be made on ground instead of shipping to Tacoma Smelter

VANCOUVER, July 31.—R. K. Neill, part owner of the Premier Mine on Salmon River in the Stewart Country, states that Premier Company will instal at great cost a cyanide process plant with a capacity of one hundred tons a day to refine the gold and silver ore taken from the Premier mine into gold and silver at the mine. This will save the cost of shipping the ore to Tacoma Smelter.

The installation of the new plant will mean that there will be a large force of men employed at Premier, the settlement which is springing up around the mine.

PRINCE GEORGE IS COMPLETED

Is Being Inspected and Launched This Afternoon and Leaves for South Tomorrow Night.

FAVORABLE COMMENT ON EXPERT REPAIRS

The G. T. P. steamer Prince George is finished and this afternoon tests are being made by Mr. Edwards, a representative of Lloyds, who arrived this morning to inspect the work. She is expected to sail tomorrow night for Vancouver and Victoria, leaving at midnight. The Prince John leaves for Stewart tonight at 8 o'clock and the Prince Albert for Southern Queen Charlotte Islands tonight at midnight.

The manner in which the work on the Prince George has been done is the subject of a good deal of favorable comment. Superintendent Pillsbury is very modest in regard to the job, but in answer to questions he says that there were eleven new plates, a new stem bar and ten frames put in, as well as work on the floors. In order to get this done the men had to work night and day. It is record work and is deserving of great commendation.

THIEF ENTERS WOODLAND HOME

Occupied by Mr. and Mrs. Graham Also Pillaged.

Yesterday afternoon house-breakers entered the homes on Store Circle of G. A. Woodland and H. Graham. It is not known whether they were entered simultaneously or whether both were entered by the same party. The first word of the crime was given when Miss Graham returned from work and found all the doors in the house wide open. Nothing was topsy turvy and furniture was all out of place. Immediately on going outside she noticed the doors of Woodland's house were open. Here conditions were the same but it is not known if anything of value was removed. Five dollars in cash was taken from a drawer in the Graham home.

INDIAN IS BURNED WHEN STOVE EXPLODES ON BOARD GAS BOAT

Yesterday afternoon Robert Sankey, an Indian, was admitted to the Hospital here suffering from very severe burning about the face, ears and arms. The cause of the accident was the explosion of a coal oil stove on board the boat in which he was fishing with his uncle, Isaac Sankey. The latter is also severely burned on one side of the face.

The stove blew up when the two men were fishing off Green Top on Thursday night. Isaac took the injured man to Dominion Cannery where his wounds were relieved temporarily by the application of oil. He then started for Prince Rupert to secure medical aid as soon as possible.

From inquiry at the Hospital this morning the patient is doing as satisfactorily as can be expected.

ORGANIZE SUPPORT FOR PROHIBITION

Four Clergymen and Labor Representatives to be Nucleus of Committee.

After the address of Tom Richardson at the prohibition meeting in McIntyre Hall last night, it was decided to form a committee to manage the prohibition campaign in this city. The committee is to be formed of four local clergymen and representatives from the local labor organizations, men and women, in addition to other citizens to be named later.

An organization meeting of the committee will be held in the near future.

ROUTE TO PEACE RIVER OUTLINED

Survey Already in Progress with View to Construction of Railway.

VICTORIA, July 1.—It is announced here officially that a survey is already in progress with a view to construction of the P. G. E. to connect with the Edmonton, Dunvegan and B. C. line. It will follow the Nechako River to Fort St. James, across Choochi Lake to Nation River, thence to Manson River, along the valley to Findlay Forks and down the Peace River.

Big Vein in Premier Mine Struck at 600 Feet Depth

People of Stewart Much Elated over Finding of Good Ore that Depth as it Insures Permanency of Camp

Word received this morning from Stewart is to the effect that a rich ore strike has been made in Number 2 tunnel at the Premier mine. This is the culmination that has been eagerly looked for, as on the finding of good ore at that depth depended to some extent the resources of this rich mine.

The finding of the ore in the tunnel gives the Premier a proved depth of 600 feet in rich ore body and insures the continuing of operations indefinitely.

It is thought that this strike is responsible for the announcement in Vancouver that a cyanide plant is to be installed to refine the ore at the mine.

Naturally the people of Stewart are much pleased at the outcome as it means so much to them in the way of permanency and prosperity. It will have a good effect on mining operations generally on the Salmon River.

PAID ROYALTY ON PELT OF FISHER ALLOWED TO GO

Y. Ornheim appeared in police court this morning before Magistrate McMorde on the charge of having a fisher skin unlawfully in his possession, on which the royalty had not been paid. He was charged under Section 30 of the Game Act. It was a provincial police case but came under the jurisdiction of the city magistrate as the pelt was turned over to a local fur dealer.

The accused made a very good explanation of how he had failed to pay the necessary royalty and was allowed to go on the payment of the sum required.

VANCOUVER WINS LACROSSE MATCH

VANCOUVER, July 31.—Vancouver yesterday beat New Westminster in a closely-contested and exciting lacrosse match by a score of 9 to 7.

MAN KILLED WHEN A SHOT EXPLODES IN RED TOP MINE

Word was received in the city today that an explosion took place on Thursday at the Red Top mine, Stewart, and an Italian, Marco Vial, was killed and another Italian, Agostino, injured.

The explosion took place in the upper tunnel and was the result of a missed hole.

Murderer at Large Police After Him

Ogle has Taken to Woods, but Indian Trackers being used to Run Him Down

Ogle's Wife Collapses at Inquest; Children give evidence that man kicked victim after death.

PRINCE GEORGE, July 31.—That Thomas Dodd came to his death by kicks and blows delivered by Orville Ogle, rancher, was the verdict of the coroner's jury at the inquest held over the body of Thomas Dodd at the Corless Undertaking rooms in this city Thursday afternoon.

Dodd was brutally murdered on the road to his home by Ogle who had a grudge against him and who had sworn "to get him and get him good."

Two young boys who saw Ogle beside the body after the assault told at the inquest how, when Ogle saw them, he asked them what they thought of the old man now, and that before leaving the body he brutally kicked the dead man's face to an unrecognizable pulp.

Dodd was a well known and respected citizen of this community and the entire district is thoroughly aroused over the killing, and every step possible will be taken to apprehend the murderer.

The provincial police are scouring the country for the man. In spite of the heavy character of the country in which he is thought to have gone, they hope by the aid of Indian trackers to get him soon.

After Ogle had killed Dodd, according to the testimony of the boys, he walked with them to a neighbor's, where he talked with one of the men for about fifteen minutes. Then he disappeared. (By way of Vancouver.)

PRINCE GEORGE, July 31.—No trace has yet been found of Ogle, the alleged murderer of Thomas Dodds. It is said that the fugitive knows every inch of the timbered country which is full of swamps and streams. He has trapped in the country for the past ten years and it will be a most difficult matter to capture him. With plenty of ammunition he can live from hunting and fishing for a long time, but he must eventually get supplies.

The two children, Diamond and Kaska, who saw the murder, gave evidence at the inquest. They swore that Ogle kicked the victim's face twice after he was dead.

There was a tense scene at the inquest when Ogle's wife collapsed.

PRINCE ABDUL HAS RENOUNCED TURKISH THRONE

CONSTANTINOPLE, July 31.—Prince Abdul the heir apparent of the Turkish throne has renounced his rights. He told the Sultan that he was "undermined, his name empty, and his territory robbed under the terms of the treaty."

CROWDS AT RACES

Hundreds of People Come to Vancouver From Seattle.

VANCOUVER, July 31.—Horse racing was resumed today at Brighthouse Park for the first time since 1914. The races are all the more interesting with entries numbering 150. Large crowds attended the finals and hundreds of people came over from Seattle.

SURRENDERED

FERNIE, July 31.—John Viehuk, who pointed a gun at his wife here, fled to the bush. Later he surrendered to the police.

DIED SUDDENLY

LULU ISLAND, July 31.—W. J. Scratheley, a pioneer farmer of the district, died very suddenly at his home here this morning.

MORE TROUBLE IN IRELAND TODAY

BELFAST, July 30.—An economic war has started in the city with regard to the neighboring Sinn Fein territory. The chief break was the refusal of food supplies. More men were wounded today in a Dublin street fight. The Charlemont Fort which was erected in the time of Queen Elizabeth was burned by armed raiders.

DUBLIN, July 31.—Military police have been posted at the Bank of Ireland to prevent a coup by Sinn Feiners. Soldiers were wounded in the struggle.
