MANY BRIDES MUST AGAIN GO TO SCHOOL

Young Girls at Detroit Marry But Are Hooked by Official.

DETROIT, July 30.—Twenty-six brides, all under 16 years, will have to forsake their domestic duties and return to school, according to a ruling of the Chief Attendance Officer of the Board of Education. Judge Hullburt, in Probate Court, has also ruled that under the State law all children must attend school until they are 16, and he can see no reason why marriage should make a difference.

Judge Hullburt in a few days will give his decision in the case of Agnes Bauer, 15-year-old bride, who was married in Windsor in April, and who this Attendance Officer says must go to school.

Since the first of the year there have been 26 girls attending Detroit grade schools who have been married. Except in cases where physicians have made affidavits to the effect that they are not in a physical condition to attend school, the Attendance Department has taken the case into court, and as a result they have been ordered back to school.

"We have gone into the matter thoroughly and while there is nothing in the school law to prevent girls under 16 from getting married, young brides of this character must go to school the full time the same as their unmarried sisters," the Attendance Officer stated today.

TEN PER CENT INCREASE

Telephone Rates in the East are Advanced.

TORONTO, July 30.—Final sanction and approval of a 10 per cent increase in telephone rates by the Bell Telephone Company, which was authorized over a year ago by the Dominion Railway Board, has been given by the Governor-General in Council. The new rates will, by this approval, remain permanent, because the Cabinet has refused to grant the appeal of Toronto and other municipalities in which the request was made that the board's order be rescinded as unjustified, and there is no higher court to which to appeal.

VANCOUVER LADY TALKS ABOUT HERB REMEDIES

All over British Columbia, Wonder Health Restorer is having a wonderful sale. Behind its success there is nothing but an actual record of the relief of human suffering and disease through the marvelous medicinal properties of the herbs it contains. It is not a "patent medicine"—it is a herbalist's prescription—the work of a lifetime of study and investigation.

What Wonder Health Restorer is doing may be judged from the following endorsement from a Vancouver mother: "I feel I must write and tell you of the benefit derived from your Wonder Health Restorer. We have used it as a family medicine and tonic and find it beneficial to both children and adults. My little girl (3 years) did not seem to grow or develop for a year, but since giving her Wonder Health Restorer during the past month everyone has remarked on her development."

"Personally, I cannot speak too highly of it. I am enjoying better health now than ever and have never been so free from women's troubles as now, for the past eight years being under the doctor for nerves and heart trouble. Since taking the tonic I have never had a return of the old pain, which always bothered me as soon as I started to do any work and from which I could never get relief."

"I shall never fail to recommend it to sufferers and feel grateful that Wonder Health Restorer was brought to my notice."

Wonder Health Restorer is sold in Prince Rupert by the Prince Rupert Drug Co.

Ask about it. Get a copy of "The Road to Health," which gives personal letters from sufferers from Asthma, Rheumatism, Stomach troubles, Kidney complaints, Nervous diseases, Female troubles, Piles, Eczema, etc. It has worked wonders in these cases. It will do the same for you.
