Board of Trade Advertising Gets
Lot of Good Publicity for
City

The Canadian Gazette contains
an illustrated article on Prince
Rupert written from material
supplied in the booklet recently
issued by the Board of Trade.
Because of its condensed form
and usefulness for publicity pur-
poses, it is reproduced here:

"Much has been said concern-
ing Northern British Columbia in
the past, and sometimes perhaps
enthusiasm has been allowed to
conflict with truth. But there is
nothing like statistics and tabu-
lated facts which cannot be gain-
said to convince the most scer-
ptical. The booklet just issued
by the Board of Trade of Prince
Rupert, copies of which have been
received by Mr. F. C. Wade,
Agent-General for British Colum-
bia, shows that the district in the
campaign of production is doing
more than its share in post-war
reconstruction and renewal of
that wealth in the Empire which,
under the stress of war, carried
an almost impossible burden.

The following summary of twelve
years' history of Prince Rupert
tells its own story: 1908—A wild-
erness, bush and scrub. 1909—
A tent town. 1910—An incor-
porated city. 1914—The Pacific
terminus of the Grand Trunk
Pacific Railway. 1915—Raised a
battalion for overseas service.
1916—Drydocked and repaired
three 22,000-ton war vessels.
Captured the deep-sea fishing
trade of the North Pacific. 1918
—Shipped aeroplane spruce to
the front; copper, fish and lumber
to the markets of the world.

1919—Building two 8,400-ton
steel ships; handled 46 million
feet of lumber, 4½ million dol-
lars' worth of fish products; and
built half a million dollars' worth
of new buildings and homes. The
population has grown from 6,000
in 1914 to 7,500 in 1919. The
production of timber in the dis-
trict of which Prince Rupert is
the centre has increased from 20
million feet in 1914 to 218 million
in 1919. Prince Rupert again is
the centre of the deep-sea fishing
industry of the Pacific Coast, a
position which it has won in the
past four years. It also contrib-
utes 80 per cent of the raw
salmon and canned salmon ex-
ported or consumed in Canada.

All Red Route
Again Northern British Colum-
bia, of which Prince Rupert may
be regarded as the capital, con-
tributed 90 per cent of the placer
gold, 40 per cent of the lode gold,
28 per cent of the silver and 47
per cent of the copper mined in
British Columbia in 1919. Prince
Rupert is proud of the fact that
the shortest all-red-route from
Europe to the Orient is via
Canadian National-Prince Rupert.

The route, it is claimed, saves
twenty-four hours' sailing on the
Pacific, or 436 sea miles. With
the opening up of the Groundhog
anthracite coalfields lying adja-
cent to Prince Rupert the port will
be able to afford a good coal-
ing service. The harbor is well
located and has a drydock and
repairing service. Its wharfrage
is being rapidly extended and
equipped with all modern facil-

ities for handling foreign car-
goes.

Outlook
The outlook for 1920 is very
bright. Capital is rapidly flow-
ing into the district and an influx
of prospectors and mining men is
assured. The district possesses
good water powers. The devel-
oped power is estimated at 25,546
horse-power, the partially devel-
oped at 55,300 and the undevel-
oped at 272,755. There is ample
room for agricultural settlement
and good opportunities awaiting
manufacturers who will locate
plants in the district.

Something the writer might
have added is that two-thirds of
the available arable land of the
Province lies along the line of
the G.T.P. of which Prince Rupert
is the outlet.

GYPSIES ARRESTED
WHOLESALE THEFT
PRINCE GEORGE, Aug. 4.—An
entire band of gypsies has been
arrested here charged with
wholesale theft of goods all along
the route from Ashcroft. They
come up for trial here tomorrow.

MABEL NORMAND
HERE AS "JINX"

Famous Circus Play is Said to be
One of Best Seen Here.

The circus is here! Rory Bory
Alice, "the astonishingly agile ex-
ponent of the famous Fijii Fling,"
the tumbling clowns, Slickers the
Wild Man, the bareback riders
and all the "marvels" of "The
Greatest Show on Earth" will
perform at the Westholme to-
night. The occasion is the en-
gagement of Mabel Normand in
her latest Goldwyn photoplay,
"Jinx," an uproariously funny
picture of circus life.

"Jinx" is a rollicking, frolick-
ing comedy of circus life, in
which Miss Normand plays the
part of a vivacious slavey, whose
mischievous pranks bring about
the downfall of "The Greatest
Show on Earth," and result in a
rapid-fire series of hilarious com-
plications. A real circus—fifty-
seven varieties of freaks, acrobats
and clowns, "n everything, and a
happy, snappy picture story all
rolled into one. It's a real treat.
Bring the children!

WANDERERS'
CLUB SMOKER

Members Entertain Friends and
Members of Other Organiza-
tions Last Night.

The members of the Wanderers
Club entertained their friends and
members of the other clubs in the
city at a most enjoyable smoking
concert in the big room of the
club last night. President R. O.
Miller was in the chair and a
number of the club members
passed smokes and refreshments
in the intervals.

Colonel McMordeie gave a short
address in which he outlined the
history of the club and spoke of
the value of club membership in
the community, especially for
young men who had no other
place to go.

Lieut. Helmsing sang and also
spoke a few words on the Navy
League and invited all to attend
the lecture at the Empress Thea-
tre tonight. Other vocalists were
J. Fraser, E. Ross, S. Darton,
Chas. Youngman, Frank Moore,
Joe Hutchinson, Will Edmunds
and Mr. Simms, the efforts of all
of whom were much appreciated.
Will Edmunds and Alex. Gray
played instrumental selections
and Sid Thompson did great ser-
vice by playing most of the ac-
companiments.

During an interval in the pro-
gram light refreshments were
served in the adjoining room and
it was past midnight when the
party broke up.

The
Family
Smoke

"OLD CHUM" is a family friend. Grandfathers, Fathers
and Sons have been smoking it for years
and years.

During this half century, "OLD CHUM" has grown
steadily in popularity and favour.

Every pipe smoker appreciates "OLD CHUM" quality—the
choice Virginia Flake Cut tobacco—chosen by experts—
stored away until the perfect tobacco taste and mellow
flavour are fully developed.

It is this dependable, constant quality, maintained for
years, which has made "OLD CHUM" the chum of all
pipe smokers in Canada.

Among those returning from
the interior on the train last
evening were Mrs. W. Reith and
