KING ASKS FOR AN ELECTION

Declares New Government Should
Have New Mandate From
the People.

NEWMARKET, Ont., August 13.—The need of a representative parliament and a responsible ministry was the theme of an address delivered here Saturday by Hon. W. L. Mackenzie King, leader of the Liberal opposition in the House of Commons.

Aylesworth Also Speaks.
Hon. Rodolphe Lemieux and Sir Allan Aylesworth were the other speakers.

Asserting that the most important question at the present time is the right of the people to govern themselves through a representative parliament and responsible ministers, the Liberal leader made a demand for an immediate general election, on the ground that either the government is an entirely new administration, in which event it ought to get the approval of the people, or that it is an old administration, in which event it has long exhausted its mandate and has lost its original complexion and personnel.

Mr. Lemieux spoke at length of the olive branch held out by Premier Meighen to the Liberals of Quebec. "We from Quebec thank him very much for his language and hope that his acts will correspond with his words, but should Quebec Liberals decide to throw in their lot with the English-speaking Liberals instead of the Tories, I am very much afraid it would be vastly different sentiments which he would express," said Mr. Lemieux.

CARS APLENTY BUT FEW FISH

Small Sale Today at the Local
Exchange.

Apparently it is like the good old saying of "either a feast, or a famine" for at the Fish Exchange this morning there were fewer boats in for a Friday's sale than there have been for many weeks. Yet there were twelve refrigerator cars waiting in the yards to be immediately put into commission. More cars are expected before Sunday morning so that if the fishermen hear about it they will probably throng in for that day.

FINED \$300 FOR HAVING HALF BOTTLES

Proprietors of Windsor Hotel
Had Bell for Warning
Kitchen.

GEORGE SMITH FINED
FOR COMMON ASSAULT

In the police court this morning Black & Olsen, proprietors of the Windsor Hotel, were fined \$300 for having liquor in possession other than in a private dwelling. It was a breach of the Prohibition Act for which the maximum fine is \$500. It was brought out at the court this morning that by an electric buzzer attachment behind the bar, parties in the kitchen could be warned of the approach of the police.

When George Leek and Constable Adams entered the establishment last evening George's keen ear detected the noise of the buzzer and the two officers rushed round to the kitchen and found two half bottles of whiskey. This was not brought out in the evidence this morning as a plea of guilty was entered by the accused, but was explained to the Magistrate by City Solicitor Hooper.

George Smith, colored, was fined \$10 on a charge of common assault in which he had attempted to settle financial difficulties with C. K. Ytreberg. The Magistrate warned him against using fistieff methods for settling difficulties whether personal or otherwise and said that such an offence might easily mean a term in the penitentiary.
