## ASK DOMINION TO INVESTIGATE WINNIPEG RENTS

### Increases in That City Said to be Extortionate — Many Complaints.

WINNIPEG, Sept. 2.—A commission will be appointed by the Dominion government to make a complete investigation into rentals in Winnipeg is probable if the recommendation to be made by Capt. William White, K. C., chairman of the board of commerce, is favorably dealt with at Ottawa. Captain White held a conference with W. A. Shepard, secretary of the Army and Navy Veterans' association, Thursday prior to leaving for Ottawa, at which data received by the association in connection with rent increases in the city was shown him. He took copies of the material and stated he would recommend to the federal government that a commission be appointed to make a full investigation into rentals in Winnipeg.

It was announced that the Joint Council of Industry has made no definite decision concerning a probe into rentals. That body held a discussion at a meeting on Thursday night.

### More Complaints Made.

Further complaints were received by W. A. Shepard today of cases in which it is alleged that profiteering is taking place. In all cases the names of individuals sending particulars have been withheld.

It is stated that in the Bickle block, corner of Broadway and Spence streets, consisting of three duplex houses with two suites in each, the rent was raised on October, 1919, to \$85 for five of the suites and \$80 for the other. The increase at that time was \$10 per suite and the reason given was that the increasing cost of coal necessitated a greater return from rentals. It has been announced by the trustees of the Roman Catholic parish of St. Mary's, the owners of the property, that an increase of \$10 per month will be put in force on October 1, 1920, making a total increase on the six suites of \$2,840 per year, or about 50 per cent. It is stated that in this block there is one janitor, who attends the furnace, but that the tenants have to clean the halls and stairways, and look after the screen doors and double windows.

\$117.50 a Month.

IN the Martello Court, Broadway, in the four-room suites, with the exception of the basement, notices have been served on the tenants advising that an increase in the rents will be made from \$60 to \$80 per month, according to reports received by the Army and Navy veterans.

In the Brussels apartment, 150 Lilac street, it is reported to the veterans that the rent has been ordered increased from \$77.50 to \$117.50 per month. This is an increase of approximately 53 per cent.

Mr. Shepard, in commenting on the rentals situation, stated that tenants coming to the association had clearly indicated that they were willing to see increases making a fair return on investments go into force, but would oppose profiteering.

## WOULD COME TO THIS CITY

Young Italian Lawyer Sees Possibilities in Prince Rupert for Him.

The secretary of the Board of Trade has received a letter from Turin, Italy, from a man who has received a copy of the booklet on Prince Rupert issued by the board and distributed through the office of the agent-general in London. The writer is a young returned soldier lawyer, 26 years of age, who wishes to come to this country with a view to becoming a citizen, and would work at anything offered until he gets a start.

The young Italian tells of the overcrowding of the Italian towns and that money there is almost worthless. He wishes to leave and come to Canada where he has heard there are opportunities for those who will work.

The letter is interesting if only to show the value of the advertising done by the Board of Trade.
