

LUX For Soft Blankets!

Keep your blankets soft, woolly and comfortable! Guard them carefully in the wash and they will repay you with a doubled life. The safest of all blanket baths is with the rich, creamy, cleansing LUX suds.

The best way to wash blankets.—Use two table-spoonsful of LUX to a gallon of water. Whisk into a thick lather in very hot water. Add cold water until suds are lukewarm. Work your blankets up and down in the suds and squeeze the suds repeatedly through the soiled spots. Do not rub.

Rinse the blankets in three lukewarm waters. Pass through a loose wringer or squeeze the water out. Do not twist. Dry in the shade in a moderate temperature.

MABEL NORMAND SEEN IN "PINTO"

Plenty of Fun in Play Shown Here
Last Night and Tonight.

Mabel Normand was the attraction for hundreds of people last night at the Westholme. The house was crowded.

Talk about fun! Why there's tons of joy jammed into every foot of "Pinto," Mabel Normand's latest Goldwyn picture. You'll laugh yourself into hysterics when you see irresistible Mabel as the wild and woolly western whirlwind stampede a crowd of non-cooled Montys and long-nosed Lizzies—stages a real wild west show that winds up in a carnival of gun-play—and puts the finishing touches to her social meanderings by roping a social Romeo and making a flannel-shirted cave man out of him.

There is a first rate picture also at the Empress tonight. Norma Talmadge is the star and many will want to see the play there tonight.

CALLIES WON GILHULY CUP

Had no Difficulty in Proving Superiority Over Trail Saturday Afternoon.

The final play-off for the Gilhuly football cup was held on Saturday afternoon when the Callies defeated the Trail Club by a 3-1 score. At no time did the Trail Club prove serious contenders and it was only in the last few minutes of the game that they registered their sole tally.

Referee McCulloch was in charge of the game and the linesmen were Ed. Ross and Frank Vickers.

RED SOX WERE IN GOOD FORM MONDAY

Defeated the Colts in Game for
Trades and Labor Council Award.

The Red Sox were in their regular good playing vein and beat the Colts in the final elimination baseball game at the Aeropolis Hill grounds yesterday by 12 to 6 and thus won the \$25 prize put up by the Trades and Labor Council. A lot of errors and poor playing on the part of some of the Colts star players helped to make their defeat even more decided.

E. A. Donohue was umpire and gave complete satisfaction, while Harry Davis made the base-line decisions.

CANADIAN IRISH WON AT FOOTBALL

Scotch-English Were Not in Good
Form and Game Was
Disappointing.

The Canadian-Irish football team defeated the Scotch-English last evening by a score of 2-0. The latter team were not in the best of form and the match was disappointing in the quality of football displayed.

George Russell was referee and Clapperton and McCulloch were on the side lines.

Mining News

Mining men from all parts of the United States and Canada will attend the annual convention of the Canadian Institute of Mining and Metallurgy to be held at Winnipeg commencing October 5, Winnipeg commencing October 25.

The Copper Mountain mine of the Canada Copper Company will soon be connected up with Princeton on the Kettle Valley Railway when the Copper Mountain Railway is completed. The station work for the new road which was in charge of W. P. Tierney, of Vancouver, was completed some time ago and since that time the rails have been laid a long distance. The only links that await completion are some of the high bridges, without which steel cannot be laid. The Copper Mountain road is of standard gauge and the large C.P.R. locomotives will be used in the camp is 12 miles from Princeton long up hill grade. The mining and 1,000 feet higher in altitude. Considerable difficulty has been experienced in the road building on account of the shifting character of the gravelly bed.

Applications for leasing permits covering a total of 25,355 acres of land in various oil fields in Central and Western Alaska coast districts have been received by the U.S. land office at Juneau. Katalla leads in the number of applicants filing with six, while Cold Bay is second in number of applications, but leads in acreage. The total acreage in Katalla is 9,210, while in Cold Bay with five applications it is 12,800 acres. Two claims for which leasing permits are sought are along the Copper and Northwestern Railroad near Cordova.

The Bulkley Valley Fair Association has secured the services of D. R. Willemar, the Hazelton assayer, to judge the ore exhibits at the Smithers Fair. This association has made certain changes in the qualifications in the mineral section which call for larger exhibits, thus debarring many small samples of secondary enrichment, the origin of which are not known. The competition is open only to the Omineca mining division including Telkwa, Terrace and Pacific.

Mrs. G. E. Austin and baby were passengers southbound from Stewart on Sunday, going on as far as Vancouver.
