Synopsis of Land Act Amendments

Minimum price of first-class land reduced to \$5 an acre, second-class to \$3.50 an acre.

Pre-emption now confined to surveyed lands only.

Records will be granted covering only land suitable for agricultural purposes and which is non-timber land.

Partnership pre-emption abolished, but parties of not more than four may arrange for adjacent pre-emption with joint residence, but each making necessary improvements on respective claims.

Pre-emptors must occupy claims for five years and make improvements to value of \$10 per acre, including clearing and cultivation of at least 1 acre, before receiving Crown Grant.

Where pre-emptor in occupation not less than 5 years, and has made proportionate improvements, he may, because of ill-health, or other cause, be granted intermediate certificate of improvement and transfer his claim.

Records without permanent residence may be issued, provided applicant makes improvements to extent of \$200 per annum and records same each year. Failure to make improvements or record same will operate as forfeiture. Title cannot be obtained in less than 5 years, and improvements of \$10.00 per acre, including 5 acres cleared and cultivated, and residence of at least 2 years are required.

Pre-emptor holding Crown grant may record another pre-emption, if he requires land in conjunction with his farm, without actual occupation, provided statutory improvements made and residence maintained on Crown granted land.

Unsurveyed areas, not exceeding 20 acres, may be leased as homesteads, title to be obtained after five years' residence and improvement conditions.

For grazing and industrial purposes areas exceeding 400 acres may be leased by one person or company.

Mill, factory or industrial sites on timber land not exceeding 40 acres may be purchased; conditions include payment of stampage.

Natural hay meadows inaccessible by existing roads may be purchased on condition of construction of a road to them. Rebate of one-half of cost of road to be made.

Pre-emptors' FREE GRANT ACT.

The scope of this Act is enlarged to include all persons joining and serving with His Majesty's Forces.

Time within which the pre-emptor of a deceased pre-emptor may apply for title under this Act is extended from one year to one year after the death of such person, as formerly, until one year after the conclusion of the present war. This privilege is also made retroactive.

No fees relating to pre-emption are due or payable by soldiers on pre-emption recorded after June 26, 1918.

Taxes are remitted for five years.

Provision for return of moneys acquired, due and been paid since August 4, 1914, on account of payments, fees or taxes on soldiers' pre-emption.

Interest on moneys held by members of Allied Forces, or dependents, acquired direct or indirectly, remitted from settlement to March 31, 1924.

SUB-PURCHASERS OF CROWN LANDS.

Provision made for issuance of Crown grants to sub-purchasers of Crown Lands, acquiring rights from purchasers who failed to complete purchase, involving forfeiture, on fulfillment of conditions of purchase, interest and taxes. Where sub-purchasers do not claim whole of original parcel, purchase price due and taxes may be distributed proportionately over whole area. Applications must be made by May 1, 1929.

GRAZING.

Grazing Act, 1919, for systematic development of livestock industry provides for grazing districts and range administration under Commissioner.

Annual grazing permits issued based on numbers ranged; priority for established owners. Where sub-owners may form Associations for range management. Free, or partially free, permits for cottagers, campers or travellers, up to ten head.

WONDER HEALTH RESTORER.

This remedy has been given the name Wonder Health Restorer, and a descriptive booklet has been written in which are included many signed testimonials from people who have been successfully cured after all other treatments had failed. One case of especial note is that of Mr. H. Duncan of Vancouver. Mr. Duncan's serious condition necessitated hospital treatment and the care of specialists. A friend advised him to take Wonder Health Restorer. Pronounced relief came to him within a month and he is today able to sleep peacefully and enjoy a condition of health denied him for years.

Wonder Health Restorer, not being a narcotic or artificial stimulant—it does not contain a drop of alcohol or drugs—is a nature cure to which the blood responds in a way possible by no other means. Sufferers from lung troubles will welcome this wonderfully effective permanent cure.

Wonder Health Restorer and its descriptive booklet can be obtained in Prince Rupert at the Prince Rupert Drug Co., and at most drug stores throughout the province. If you can't get Wonder Health Restorer from your druggist, send for the descriptive booklet to: W. A. McCarter-Drugg Co. Limited, 1015 Dominion Building, Vancouver. (Adv.)
