WILL FIGHT CLAIM OVER ACCIDENT AT JULY CELEBRATION

The defendants in the Carl Jackson action, where a claim of \$10,000 has been entered as damages to Jackson's son's hand from handling an explosive rocket at the Dominion Day celebration, have entered an appearance through their solicitors and the case will, therefore, be defended.

T. B. Hooper is acting for the City of Prince Rupert and Fire Chief D. H. McDonald, while Williams & Manson appear for B. F. Self, Sons of Canada, Jos. Ratchford and W. H. Derry. Patmore & Fulton are handling the case for the plaintiff.

PROHIBITION HUT OPEN DURING FAIR

Last week some of the ladies connected with the prohibition movement opened the prohibition hut, formerly the Red Cross hut, and served teas and lunches there. They used it as a propaganda centre where literature could be supplied and people interested in the campaign. At the end of the week they were able to turn over to the treasurer of the local committee the sum of \$21.85 after paying all expenses in connection with the service.

At the meeting of the committee on Monday night a vote of thanks to the ladies was passed.

TO OPEN UP UNUK COUNTRY

Likely a Good Many Mining Men Will Go in Next Spring on New Trail.

KETCHIKAN, Sept. 29.—The Unuk River mining country is to be opened up so that miners and prospectors can get in easily. A trail is to be built and if it is found necessary a road will be constructed by the United States forest service. This will follow the route of the old trail as far as possible along the banks of the river. It is expected that as a result a good deal more prospecting will be done next year on the Canadian side.

The local forest service is to take the matter up with the Canadian Government with a view to having the trail extended into Canadian territory.

This district is in the highly mineralized zone on the line of contact similar to Alice Arm, Stewart, and the Kitsumkalum Valley.

A launch was sold on Saturday as a result of a classified advertisement in this paper. If you have a launch to sell, a classified ad. will find a customer.

TIMBER SALE X 2599.
Sealed tenders will be received by the Minister of Lands not later than noon on the 4th day of October, 1936, for the purchase of Licence X 2599, to cut 1,452,000 feet of Spruce, Cedar, Hemlock and Balsam, on an area situated on the West shore of Elsie Channel, Range 3, Coast Land District.

Two (2) years will be allowed for removal of timber.
