

Canada's Trade Within the Empire

will grow in proportion to the development of the Sea-Conscious Spirit

- In the people
- In the Government
- In the Schools

The map of the Dominion shows at a glance the extreme difficulty of spreading a Sea-Conscious Spirit.

To develop our Sea-Heritage, we must send chosen and trained emissaries—our most able business men—to make Preferential trade agreements with other nations in the Empire. And we must make good these trade agreements with Canadian Ships.
