VANDERHOOF

Alfred R. Whitman of New York, a mining expert representing a syndicate of Ontario mining men, was here last week on his return from a trip into the Omineca mining fields. He expressed himself as quite pleased with prospects.

It is being proposed to move the head office of the Yukon telegraph line from Nechako to Vanderhoof. J. T. Phelan, superintendent of telegraphs, is to visit here shortly on a tour of general inspection.

On Monday afternoon the three aeroplanes of the New York to Nome flight passed over Vanderhoof on the return trip. All three planes were flying low.

George Ogston has had his cottage removed from Stewart Street to Lampitt Avenue and is also having extensive improvements made to it.

Synopsis of Land Act Amendments

Minimum price of first-class land reduced to \$5 an acre; second-class to \$1.50 an acre.

Pre-emption now confined to surveyed lands only. Records will be granted covering only land suitable for agricultural purposes and which is non-timber land.

Partnership pre-emptions abolished, but parties of not more than four may arrange for adjacent pre-emptions with joint residence, but each making necessary improvements on respective claims.

Pre-emptors must occupy claims for five years and make improvements to value of \$10 per acre, including clearing and cultivation of at least 5 acres, before receiving Crown Grant.

Records without permanent residence may be issued, provided applicant makes improvements to extent of \$500 per annum and records same each year. Failure to make improvements or record same will operate as forfeiture. Title cannot be obtained in less than 5 years, and improvements of \$10.00 per acre, including 5 acres cleared and cultivated, and residence of at least 2 years are required.

Pre-emptor holding Crown grant may record another pre-emption, if he requires land in conjunction with his farm, without actual occupation, provided statutory improvements made and residence maintained on Crown granted land.

Unsurveyed areas, not exceeding 20 acres, may be leased as homesteads, title to be obtained after fulfilling residential and improvement conditions. For grazing and industrial purposes areas exceeding 40 acres may be leased by one person or company.

Mill, factory or industrial sites on timber land not exceeding 40 acres may be purchased; conditions include payment of stumpage.

Natural hay meadows inaccessible by existing roads may be purchased conditional upon construction of a road to them. Rebate of one-half of cost of road, not exceeding half of purchase price, is made.

PRE-EMPTORS' FREE GRANTS ACT.
The scope of this Act is enlarged to include all persons joining and serving with the Canadian Forces. The time within which the heirs or devisees of a deceased pre-emptor may apply for title under this Act is extended from one year from the death of such person, as formerly, until one year after the conclusion of the present war. This privilege is also made retrospective.

No fees relating to pre-emptions are due or payable by soldiers on pre-emptions recorded after Jan. 25, 1918. Taxes are remitted for five years. Provision for return of moneys acquired, due and been paid since August 4, 1914, on account of payments, fees or taxes on soldiers' pre-emptions. Interest on agreements to purchase town or city lots held by members of Allied Forces, or dependents, acquired direct or indirect, remitted from enlistment to March 31, 1920.

SUB-PURCHASERS OF CROWN LANDS.
Provision made for issuance of Crown grants to sub-purchasers of Crown Lands, acquiring rights from purchasers who failed to complete purchase, involving forfeiture, on fulfillment of conditions of purchase, interest and taxes. Where sub-purchasers do not claim whole of original parcel, purchase price due and taxes may be distributed proportionately over whole area. Applications must be made by May 1, 1920.

GRAZING.
Grazing Act, 1919, for systematic development of livestock industry provides for grazing districts and range administration under Commissioner. Annual grazing permits issued based on numbers ranged, priority for established owners. Stock-owners may form Associations for range management. Free, or partially free, permits for settlers, campers or travellers, up to ten head.
