Canada is the Eighth Maritime Power

Seventy Years Ago Canada Was Third

There are 8,700 ships under the Canadian Flag to-day.

The value of the Merchant Fleet of Canada is $250,000,000.

Through lack of interest of Canadians in their maritime affairs these ships are neither officered nor manned by Canadians.

To-day the protection of Canadian Trade Routes is not given by Canada.

The burden of the British Navy is Seventeen Dollars per head of British taxpayer. The "burden" of the Canadian Navy is twenty-five cents per head of Canadian taxpayer.

DISCUSSION WAS HEATED

D. C. McRae Replies Emphatically to Alleged Statements of Ald. Perry Over Hospital Affairs.

A committee comprising President D. G. Stewart, Secretary George E. Gibson and Alderman William Wilson-Murray was appointed last night at the meeting of the hospital board to investigate the differences between Directors J. B. Roerig and D. C. McRae on one side and Alderman C. C. Perry on the other, over hospital financial matters that resulted last evening in an open break and a burst of elocution from Mr. McRae.

The matter was brought up by a letter being read from Messrs. Roerig and McRae demanding that the Hospital Board investigate alleged "slanderous statements" by Alderman Perry made at council meetings on September 13 and 20. These statements it was stated reflected both upon the personal characters of Mr. McRae and Mr. Roerig and on the hospital board. Directors Collison, Murray, Mrs. McLeod and Mrs. Parsons were all against the bringing of the hospital board into what was termed by Mr. Collison "a little squabble in the finance committee."

Perry Explains.

Mr. Perry then explained his position and apologized for anything he might have said distasteful or injurious although the facts still remained. They still had the appearance of being interested and he cited incidents that had been told him in the presence of others by the late secretary, Mr. Denholme. Mr. McRae had objected to a rubber stamp being ordered from Vancouver when McRae Bros. sold them and Mr. Roerig had objected to an order of meat from the Northern Interior store with the result that the orders had been discontinued. If they could show otherwise he would gladly apologize and would not have the matter carried on.

Mr. Roerig stated that it would be difficult to disprove he had made the complaint alleged for there was only his word for it, but he would admit that a man had been sent out to look over the books of the hospital with a view to improvement. This man had, however, failed to report and no new system had been installed.

Vilest Slander.

"I am surprised at the presumption of Mr. Perry in addressing this meeting after he admits he did not know about hospital affairs and still has made the vilest slander against us," said Mr. McRae. "If he is a man of honor he will either prove his statements or withdraw them. He then proceeded to read the statements that Mr. Perry is alleged to have made at the council meeting and Mr. Perry immediately denied making any such statements. "If what Mr. Perry says is true Mr. Roerig and I should be in jail and if it is not true he should be. Mr. Perry, I am not afraid of any exposures you can make and my honor is worth more to me than a position on the Hospital Board. It is my opinion, however, that Mr. Perry has meant nothing personal but has simply gone off half cocked."

The discussion was brought to a close when President Stewart called for Mrs. McLeod's resolution asking for a committee of investigation, which was seconded by Mr. McRae.

Action of Herbs on the System

No sufferer can afford to overlook the wonderful medicinal powers of herbs. They were the first remedy used by man and today herbalists have brought their formulas up to a wonderful standard.

Years ago a great herbalist combined in one preparation the essential juices of herbs such as gave relief to many organic complaints. After doing marvelous work as a private prescription he placed it on the market under the name of Wonder Health Restorer.

This remedy is now on sale in Prince Rupert and its record is wonderful. For diseases such as Rheumatism, Asthma, Stomach trouble, Kidney complaint, Nervous disorders, Skin Diseases, Piles, etc., it has been used with success by thousands. Ask your druggist for "The Road to Health" and read what these people say.

Wonder Health Restorer acts on the blood, freeing it from all impurities. It acts on the entire system, keeping every organ open to throw off waste matter. The specific herbal properties are carried to every affected organ by the blood and quickly correct improper action. No person need be afraid to take it as it contains nothing but herbs—no alcohol and not a trace of any drug.
