FRESH EGGS ARE SOARING

Local Stores Asking as High as \$1.20 and Calmly Say will Go No Higher

Local fresh eggs are not to be obtained at the city grocery stores and as high as \$1.20 a dozen is being asked for B.C. fresh. It seems somewhat reasonable for the merchants to say that they do not think they will go any higher. The demand is very apt to regulate that contingency. Of course the price of eggs is the usual seasonal condition, only they are a little higher. Sugar is still coming down and 24c is asked and flour is also loosening up a little. LIKE A MAGNET

THE manner in which Zam-Buk draws disease and poison out of the skin has been aptly described as "magnetic." Sores and wounds are cleansed and soothed, new healthy skin grown, in a way which is a positive revelation in the art of skin-healing.

Even obstinate and long-standing sores yield in an astonishing way for Zam-Buk has antiseptic and germicidal properties that cannot be found in any other preparation. Zam-Buk

Draws Disease out of the Skin.

The marvellous success of Zam-Buk is due to its rare herbal origin and the scientific methods employed in its blending, refinement and concentration. Then Zam-Buk is entirely free from the animal fats and mineral impurities which make common ointments and salves harmful and even dangerous to some skins.

Dr. Patterson Shibley of 1802, Wyoming Avenue, Washington, D.C. writes:—

"For sixteen years I have used Zam-Buk in my practice and know nothing to compare with it in skin trouble, from rosacea and irritation to chronic skin disease. Zam-Buk, without doubt, has wonderful curative properties, and I always recommend it in preference to other remedies."

Of all druggists and stores. 80c. per box, or from Zam-Buk Co., Toronto. FREE Trial sample on request if 1c. stamp is sent (for return postage).
