The Man in the Moon SAYS:-

THAT one good thing about the short skirts they make the girls careful not to have holes in their stockings.

THAT the man when asked what kind of a typewriter he had, replied that he never had a sweeter or prettier and he was the envy of all the men in the neighborhood.

THAT the vote is mightier than the talking machine.

THAT some people try to prop a staggering world with propaganda.

THAT a man's pet barber always seems to him to be the busiest man in town.

THAT complaints are being made of the tendency toward insanity in some parts of Prince Rupert. It is said they become morbid from reading the coffin boxes and all twisted up from trying to follow the arguments.

THAT a local grass widower received a letter from his wife to the effect that she was enjoying her visit east.

THAT he wrote back to the effect that he was enjoying it too.

THAT the sign in the lingerie shop "stockings up for winter" was quite the correct thing.

THAT will the Bolsheviks remain Bolshevik when they have spent their last Red?

THAT what a lot of wrangling would be saved if a man would only let his wife have her own way right off.

THAT since self starters are used on autos, why not try them on men and women who won't get up on time in the morning.

STRIKING STORY OF VANCOUVER LADY

Mrs. B. DeBeck of 2120 Scotia St. Vancouver tells a story which should interest every reader who is afflicted with indigestion or stomach trouble in any form. After suffering for years she found relief in a simple herb remedy and for the benefit of fellow sufferers tells the story of her treatment as follows:

"I have suffered from indigestion and stomach trouble for years and have tried several remedies without any success whatever. On the advice of a friend I thought I would give Wonder Health Restorer a trial. I am in a position to state that I have had wonderful relief after taking this medicine for only a few months. So well satisfied am I that I have no hesitation in recommending Wonder Health Restorer to any person suffering from similar ailments."
Signed: MRS. B. DEBECK,
2120 Scotia St. Vancouver.
October 20, 1920.
Wonder Health Restorer, which did such wonderful work for Mrs. DeBeck has done similar work in thousands of cases. It can be secured in Prince Rupert from the Prince Rupert Drug Co. and no sufferer from stomach trouble should overlook this remedy which is the private prescription of a great Scotch herbalist, given by him to the world for the good it does for humanity.

PROVINCE OF BRITISH COLUMBIA
DEPARTMENT OF LANDS
FOREST BRANCH

EXAMINATIONS FOR THE POSITION OF ASSISTANT FOREST RANGER.
Object.
These examinations are for the purpose of filling present vacancies and to enable candidates to qualify for future vacancies and increases in staff.

Assistant Forest Rangers are employed during the fire season (May to September inclusive) of each year and this period is extended where possible by working on improvements such as trails, etc. Re-appointment is made each year as long as satisfactory service is given. Promotion to the permanent staff is made by merit and examination as occasion offers. The salary is \$10.00 per month the first year and \$120.00 per month the next year. Traveling expenses are also paid.

Candidates must be British subjects resident in British Columbia for at least one year, of good character, good physical condition and with woods experience. They should have experience in fire fighting, possess the ability to organize work and handle men; and have knowledge of the Forest Act.
The examinations are partly written, partly oral and are designed to test the candidates' ability along the above lines. All statements made by applicants as to experience, education and fitness are subject to verification by the examining board. Preference is given to returned soldiers with the necessary qualifications.

The examinations will be held at the places and on the dates named below. Each candidate should apply to the District Forester of his district for application forms and for information regarding the hour of the examination and the building in which it will be held. Application forms should be filled out and mailed back to the District Forester in time to reach him before the date of the examination.

Place. Date.
Hazelton. Friday, November 5th.
Prince Rupert. Monday, November 8th.
Apply to the District Forester at Prince Rupert, B. C.
G. B. NADEN,
Deputy Minister of Lands.

CONSERVATIVES TO NOMINATE ON TUESDAY NIGHT

Local Association Worried Over Securing Candidate—Jack Beattie Favorite.

A Conservative meeting is called for tomorrow night at which the local association will decide what position they will take at the forthcoming election. They will appoint delegates and instruct them who to support. As the association here has practically the controlling vote, the action to be taken will be equivalent to a nomination.

A good many of the members want Jack Beattie to be the candidate. Both C. H. Orme and Jack Kirkpatrick have refused it. There is another section of the association, including Mr. Beattie, that would back S. M. Newton who has already been turned down by the labor men. On this rock the party seems likely to split. It is understood that Charlie Cullin, the official organizer, who was called in from the States where he now lives, and who was sent here by W. J. Bowser, favors using Newton as a club with which to beat Premier Oliver, not that he has any love for Newton, but that he would use him as a means of getting back into power.

Interesting Situation.

The situation is a complicated one. Judging by what is heard on the street, it seems as if it would be decided to run a Conservative candidate. It is claimed that they would get a strong Conservative vote and that some Liberals who will not support Mr. Pattullo, if he is nominated, will vote for a Conservative, but they refuse absolutely to vote for Mr. Newton. There is always an independent vote and Jack Beattie is very popular in town and if chosen will get a good deal of that vote. The situation is very interesting.

The Liberals will in all probability choose Hon. T. D. Pattullo, as he is the strongest man they have in sight. There are several who would make good candidates, but all recognize the prior claim of Mr. Pattullo and will back him to the limit. They say there is no doubt but he will be elected.

"SHADOW OF ROSALIE BYRNES" AT WESTHOLME

Curious Story of Girl who Marries and Takes \$10,000 to get Divorce.

The story of a girl who is mistaken for Rosalie Byrnes, who is offered ten thousand dollars to get a divorce from her husband, and who, after many wonderful adventures, goes on a honeymoon with her husband, is the offering at the Westholme tonight.

The story begins with a rush marriage with a fiancé who is going overseas. The complications, part of which are financial, follow. There are men and women at cross purposes and several curious mixups. The untangling is interesting in the extreme.

Ten Years Ago in Prince Rupert

November 1, 1910.

S. P. McMorde, contractor, has completed the sewer work in Section 1 at \$700 below the original estimated cost.

A delegation has arrived from Stewart to confer with Premier McBride on the incorporation of Stewart and the provincial appropriations. The delegation consists of T. J. Vaughan-Rhys, D. J. Rainey, and P. F. Godenrath. Premier McBride will arrive tomorrow.

Two hundred workmen partook of Thanksgiving dinner at the New Knox Hotel last night, the guests of Oliver Besner.

T. J. Vaughan-Rhys of Stewart speaking here says that Stewart is not a rival of Prince Rupert. Prince Rupert is the natural metropolis and the whole desire is to make the North self-sufficing instead of an appendage to the south of the province.

We Heard Two Objections

To the hot cake recipe the day we had two objections. One was that there was too much powder. The other was that there was not enough. In any recipe it is very much a matter of individual taste. Some folks like their hot cakes very light and some like them very heavy. The basis of the recipe is right and you can vary the or baking powder to suit requirements.
