Stop Work & Lay Up' advised Doctor but Zam-Buk put me right

Says Mr. J.E. ARSENAULT, J.P.

RELATING how Zam-Buk made short work of a dreadful outbreak of leg sores, Mr. J. E. Arsenault, a well-known Justice of the Peace of Wellington, P.E.I., says:--"I slipped and gashed my leg on the edge of a freight truck. The wound, instead of healing, became ulcerated, and later on, a form of eczema developed which spread rapidly over both legs. My limbs were so swollen and sore that I had to keep them in bandages and the doctor said I would have to stop work and lay up. As a busy man I couldn't afford time for this. Then I started out to try all the salves, liniments and lotions I heard of. This

Eczema on Both Legs

got steadily worse until the lucky day I hit upon Zam-Buk. Greatly to my delight, the first dressings relieved the pain and irritation, and as I continued with the balm my sores got better and better every day. I soon realised that in Zam-Buk I had at last hit upon a real cure and it only needed perseverance to put it right. It is now a considerable time since Zam-Buk healed the sores but there has been no return of the eczema nor any trace of it. It would have been impossible, I think, to have found a worse case of sores than mine."
