COUGHS

Coughs are Nature's danger signal—Nature's way of telling you that in throat or breathing tubes there is something wrong—something needing attention. Perhaps the delicate membranes have been chilled and are inflamed and sore. Disease germs may have lodged there and may be setting up irritation, which if not checked will bring on acute bronchitis, asthma, or even worse evils! So never ignore a cough.

Peps kill coughs because they remove the causes. As soon as a Pep is dissolved in the mouth, powerful, but pleasant, medicinal vapors are liberated. These healing fumes bathe the lining membranes of the throat and breathing tubes, kill disease germs, allay irritation and soothe the inflamed parts.

Peps enable you to end coughs and colds in Nature's way, by breathing in the medicine the same way as the disease germs causing the trouble were breathed in! Isn't this wiser treatment than the swallowing of mixtures into your stomach—which is not ailing?

For coughs, colds, bronchitis, asthma, sore throat, night cough and all troubles of throat and chest, try Peps. Best for children because pleasant to take and free from opiates, etc. All dealers, 50c. a box.

BUSINESSMEN AND SHUT DOWN

Joint Meeting of Delegation from Shipyard Employees with Board of Trade.

At a joint meeting of delegates from the shipyard employees and the Board of Trade held in the Board of Trade rooms last night it was decided to again urge on the Government the desirability of arranging with the bonding company for the supplying of the immediate needs of those out of work through the closing of the yards. They also appointed D. G. Stewart, M. P. McCaffery, and H. S. Wallace a committee to arrange with the bank for temporary relief to those in distress.

There was a long dessultory discussion in which valuable suggestions were made by Col. Peck and Mr. Pattullo and others and in which Mr. Dewhurst explained the position of the men. J. H. Pillsbury offered to make changes in the wage slip if this was necessary and he would also see that those in need should not be turned away from the company's dining-room as long as there was food left.

Acting Mayor Dybhavn told of actual cases of distress that had come to his notice.

Col. Peck said he had already wired asking the Government to make arrangements to relieve the distress.

Among those present in addition to the labor delegation was J. H. Pillsbury, Colonel Peck, T. D. Pattullo, S. E. Parker, H. S. Wallace, J. Dybhavn, J. Beatty, C. H. Orme, J. C. McLennan, F. G. Dawson, G. A. McNicholl, M. P. McCaffery, D. G. Stewart, H. F. Pullen and S. D. Macdonald.

BAPTIST TEA AND SALE WAS SUCCESS

Those in Charge Pleased From Both Social and Financial Standpoint.

The Baptist tea and sale held last evening was both a financial and social success and everybody interested in it was pleased. The function took the form of a sale of home cooking and a tea and there was a brief musical program rendered in which Miss L. Pim, F. Rodgers and W. Vaughan Davies took part.

The committee in charge of the affair comprised Mrs. J. Lindsay, Mrs. R. Walker and Mrs. W. T. Muse.

DEPARTMENT OF MARINE AND FISHERIES

Sealed proposals, accompanied by a certified cheque for 5 per cent of the amount of tender, will be received by the undersigned at the office of the Inspector of Fisheries, Prince Rupert, until 26th day of November, 1920, for the complete removal of the log jam in the stream which drains Mink Trap Bay Lake, near Kitkatla Indian Village, Pitt Island. All material contained in the jam both above and below water is to be entirely removed and either floated out to sea or piled carefully above high water mark on the low ground at the head of the jam, the work to be completed on or before 31st day of March, 1921.

Intending bidders must examine the jam and state the method they intend to adopt and the nature of the machinery they contemplate using. Lowest or any tender not necessarily accepted. Cheques from unaccepted tenders will be returned immediately the contract is awarded.

F. H. CUNNINGHAM,
Chief Inspector of Fisheries.

1000 Eggs in Every Hen

New System of Poultry Keeping — Get Dollar a Dozen Eggs—Famous Poultryman

TELLS HOW

"The great trouble with the poultry business has always been that the laying life of a hen was 'too short,'" says Henry Trafford, International Poultry Expert and Breeder, for nearly eighteen years Editor of Poultry Success.

The average pullet lays 150 eggs. If kept the second year, she may lay 100 more. Then she goes to market. Yet, it has been scientifically established that every pullet is born or hatched with over one thousand minute egg germs in her system—and will lay them on a highly profitable basis over a period of four to six years' time if given proper care.

How to work to get 1,000 eggs from every hen; how to get pullets laying early; how to make the old hens lay like pullets; how to keep up heavy egg production all through cold winter months when eggs are highest; triple egg production; make slacker hens hustle; $5.00 profit from every hen in six winter months. These and many other money making poultry secrets are contained in Mr. Trafford's "1,000 EGG HEN" system of poultry raising, one copy of which will be sent absolutely free to any reader of this paper who keeps six hens or more. Eggs should go to a dollar or more a dozen this winter. This means big profit to the poultry keeper who gets the eggs. Mr. Trafford tells how. If you keep chickens and want them to make money for you, cut out this ad and send it with your name and address to Henry Trafford, Suite 292-N Tyne Bldg., Binghampton, N. Y., and a free copy of "THE 1,000 EGG HEN" will be sent by return mail.

Provincial Election Coming!

The Provincial Legislature has been dissolved and an election will be held on Wednesday, December 1, 1920.

The Liberal administration appeals to the electorate for re-election in the firm confidence that the record of the past four years of safe, sane and progressive administration of the affairs of British Columbia has met with the approval of every man and woman who has the best interests of the Province at heart.

The future policy of the Oliver Government will be to continue its progressive work in every department with the idea of developing the vast natural resources of British Columbia for the general benefit of the people

BERT CLAYTON WEDS MISS E. MARTINSON

Pretty Wedding on Tuesday at Home of the Bridegroom.

A pretty wedding took place on Tuesday afternoon at the residence of the bridegroom, Eleventh Ave. and Conrad Street, when Miss Ingla Martinson became the bride of Bert Clayton, well known here as a marine engineer. Rev. Canon Rix officiated and the bride and groom were supported respectively by Miss June Alexander and George Russell.

The bride looked charming as she stood beside the bridegroom. She goes to a fine little home and is the envy of her friends, from whom she has been receiving congratulations.

W. W. G. McAllister and D. J. McKay arrived yesterday morning from Ocean Falls.
