T. D. PATTULLO IS PRINCE RUPERT CANDIDATE

OLD TIMER ALICE ARM AND STEWART GETS ATLIN LIBERAL NOMINATION

Liberal Convention Nominates T. D. Pattullo as Candidate

Logistic Speeches made by L. W. Patmore and M. P. McCaffery in proposing and seconding; story of prodigal son well told

"I have great pleasure in nominating this evening a man of principle and resolve; not a town politician but a statesman. I nominate Thomas Dufferin Pattullo, who is well known among you, who has been with us for many years and of whose worth you all know as a public spirited citizen." In these words was Mr. Pattullo nominated last night by L. W. Patmore who spoke of Mr. Pattullo had done as a citizen and also as a representative. Not only had he worked in the interest of northern B. C., he was one of the ablest administrators that the province had. He felt that the people of this district would do themselves great honor in choosing him as their candidate again and name him as their member.

ALEX. M. MANSON

Prodigal Son.
Patmore spoke of some of the men in the field. Mr. Patmore was admittedly a revolutionary socialist and the Conservatives were finding it difficult to make a man. S. M. Newton might be a conservative nomination but he did not, he would undoubtedly run. Newton was a sort of a conservative home and in the labor meeting present to make terms with the Conservatives. He would have nothing to do with the hawks of the Conservative party. Then he said that he would not stand for the Conservatives. He said "let him go and let the hawks with the Reds. Patmore said he did not want to see the Conservatives in power, but there was nothing to be done."

WIDESPREAD RUNS IN WESTMINSTER AGAIN

VANCOUVER, Nov. 6.—In Albi Brig Gendrier Noel Money, B.C., has been chosen as a conservative candidate and he probably oppose Major Dickson, Independent.
David Whitehead of New Westminster has decided to accept the nomination of the Liberals and probably be re-elected. Other nominations are:
Nominations are:
F. W. Anderson, J. A. Buckham, Liberal, Vancouver, Geo. W. Dingwall, Independent Labor, Victoria, Col. Fred Lister, Socialist, Conservative, Vancouver, Joseph Walters, defeated by J. R. Cameron for independent Liberal, Vancouver, R. H. Neely, Independent Labor, J. W. Macdonald, Independent, Vancouver, J. C. Robertson, Independent, E. D. Barrow, Independent, R. L. Macdonald, Conservative, Vancouver.

HARRY ROSS GETS TWO MORE MONTHS TACKED ON TIME

Judge Young Sentenced Him Yesterday Afternoon When He Pleaded Guilty Breaking Jail.

Harry Ross, appearing before Judge Young in the County Court yesterday afternoon, pleaded guilty with alacrity to the charge preferred against him of breaking jail and was sentenced to two months with hard labor at Okalla Prison Farm. He qualified his admission with the statement that he had passed through the open door and had not broken the lock leading from the cell-room in the city jail to the police court room above.

Ross, who is somewhat of a "sea-lawyer" wanted his two months' sentence for jail breaking to run concurrently with the six months' sentence already imposed on him for selling liquor to Indians, but this the judge refused.

BOARD OF TRADE HAS EMERGENCY FUND NOW

On Recommendation of Trades and Labor Committee It Cashes Time Checks at 3 per cent.

Yesterday \$1,000 was raised among local business men as a fund to cash shipyard time checks in needy cases. First the special committee from the Trades and Labor Council passes upon the claims and then the Board of Trade cashes the vouchers at a discount of 3 per cent to allow for possible legal fees and bank interest. If the situation is not improved today more money will be raised for this fund.

Jas. Stack of Port Clements. After the nomination Mr. Pattullo addressed the delegates and short speeches were made by A. R. Mallory, E. T. Kenney and J. D. Wells, after which the convention adjourned.

SUFFICIENT MONEY TO PAY CREDITORS SAYS NEWMAN ERB

VANCOUVER, Nov. 6.—Newman Erb yesterday wired Vancouver creditors that he expected Government advances would be sufficient to pay all claims and allow the work to proceed.
Erb is in conference with the department at Ottawa. S. J. Crowe, M.P., interviewed said he doubted the possibility of moving the ships to Vancouver for completion.

WANT COW BAY FILLED IN THE PROPER MANNER

Board of Trade Opposed to It Under Plan Submitted With Recent Application.

The Board of Trade at the regular monthly meeting last night decided that it would oppose the filling of Cow Bay under the plan and has been submitted with the recent application of the railway company. In bringing the subject up President S. E. Parker stated that the plan submitted did not provide for the warehouses and wharves required by the Board of Trade.

It was decided on motion of D. Thomson and G. H. Arnold that a letter be sent to A. E. Warren, general manager, apprising him of the fact that the Board of Trade would oppose filling Cow Bay unless it was done under the provincial government plan. The co-operation of the city council is to be sought in making the objection.

ANXIOUS THAT MARFISH SHOULD REPAIR HERE

Another wire is to be sent to W. A. Found, superintendent of fisheries, in regard to the docking of the fisheries' protection boat, Marfish. The Board of Trade already sent one message to Mr. Found but President Parker intimated last night that this was unanswered.

It was moved by D. Thomson, seconded by H. D. Robinson, at the board meeting last night that another message be sent pointing out the time it would take to make the repairs and asking for a definite answer as to whether the boat was to be taken south or repaired here.

Bert Kergin Nominated By Liberals of Atlin

Receives Unanimous Support from District and, as he is Well Known, is Expected to be Elected

ANYON, November 6.—At a representative Liberal Convention held here last night Herbert F. Kergin received the unanimous nomination and he will contest the seat in the Liberal interest. The name of O. B. Bush was not submitted although it is understood he intends to run as an independent.

Mr. Bert Kergin is well known throughout this district. He resides at Alice Arm but his work brings him to Anyox and he formerly resided at Stewart, so that he knows the whole constituency. It is also understood that he will receive large support from Atlin and other northern points.

The general opinion here is that Mr. Kergin is sure to be elected. He is already being assured of very wide support. Alice Arm will go solid for him, he will get good support at Stewart, and Anyox will give him enough to insure his election.

DISPUTE OVER DREDGE WORK

Engineers Complain About Transportation Between Harbors and McNicholl.

The misunderstanding between Grant & McDonald, the dredging company which is digging bottom material for the G. T. P. wharf extension, and the International Engineers was taken up at a special meeting of the union last night and a committee consisting of J. R. Beatty, J. Belanger and James Black delegated to meet the company's representatives. The dispute, it is stated, has arisen over the unsatisfactory transportation of the engineers to and from their work across the harbor. One of the engineers was discharged when he laid a complaint to the management for it is understood his manner was not altogether friendly. The engineers quit work a couple of days and the dredges are tied up. A conference is on today.

Biggest Goods Robbery In Police Records was Committed Last Night

Guns, Rifles, Revolvers, Razors, Knives and Watches Taken from Shelves and Windows of Howe & McNulty's Hardware Store

The biggest robbery of goods yet recorded in the local police office was committed some time during last night when thieves entered Howe & McNulty's hardware store on Second Avenue and removed a large quantity of guns and knives from the shelves. The robbery was noticed first this morning when Mr. McNulty arrived at his store and found the shelves in disorder, boxes opened up and articles, that the thieves had not taken, strewn about the place. On examination it was found that entry had been forced through the back door.

The store is in such a location that the thief or thieves could work without fear of being detected while the haul was being made. Indeed the most of the articles taken were removed from the shelves near the front windows and even from the windows.

The following is the list of articles taken as far as Mr. McNulty could ascertain this morning: Two 30 calibre army rifles, one Stevens' double barreled shotgun, five rifles, one Colt's 38 automatic revolver, one 22 calibre high power Savage rifle, two 303 Savage rifles, six razors, a watch and a quantity of hunting and pocket knives. An estimate of between \$500 and \$600 is placed on the amount of goods taken. The police are giving the matter a thorough investigation.

HOLD INQUIRY RUPERT WRECK

Court Will Sit in Vancouver Middle of Next Week to Hear Evidence.

VICTORIA, Nov. 6.—Wreck Commissioner Capt. D. J. MacPherson has received instructions from Ottawa to hold an inquiry into the wreck of the Prince Rupert.

The court will sit at Vancouver the first session to be held probably the middle of next week. Capt. Gerald B. Bridge of Esquimalt is to be one of the assessors. The other has not yet been selected.

Rev. Dr. H. R. Grant was the speaker at the Corner Club last night. His subject was "Fishers of men." There was the usual program of games and refreshments were served.

MILLIONS LOST

VANCOUVER, Nov. 6.—The G. T. P. offices today deny the story that the Prince Rupert will be drydocked in the north. It was explained here that the yard will be decided on by Capt. W. H. Logan, representative of the London Salvage Association, who is in charge of the salvage work, when the ship is floated.

Seen in regard to the above, Col. Peck showed the telegrams that had passed in connection with the matter. He had cited to the underwriters and received this reply: "Waiting Logan's report respecting docking Prince Rupert. Suggest you apply owners."

He then wired D. B. Hanna in regard to the matter and received a reassuring reply.

A meeting of dry dock workers was held this morning in the McIntyre hall. It was decided to delay any action until further particulars of the situation were forthcoming. E. W. Ellis was the chairman.
