What are Peps

Peps provide a new treatment for coughs, colds and lung troubles. They are little tablets made up from Pine extracts and medicinal essences. When put into the mouth these medicinal ingredients turn into healing vapors, which are breathed down direct to the lungs, throat and bronchial tubes. The Peps treatment is direct. Swallowing cough mixtures into the stomach, to cure ailments and disorders in throat and lungs, is indirect. Peps are revolutionizing the treatment of colds and their price is within the reach of all. All dealers, 50c. box. Send 1c. stamp for FREE TRIAL PACKAGE.

NOTICE.

I see a notice to the public in the Evening Empire to the effect that a certain taxi firm are using without permission the trade mark as they call it, of the Prince Rupert Auto Co. I might state that I have permission to use the mark of the three monkeys. I first owned the sketch that this cut was taken from. My brother, Harry Large, has sold out his business, the Prince Rupert Auto, which has no connection with me. We are doing business under the name of The Royal Taxi Co. Phone 35. ERNIE LARGE.
