PROCLAMATION OF RETURNING OFFICER

PROVINCE OF BRITISH COLUMBIA In the Prince Rupert Electoral District

TO WIT:

PUBLIC NOTICE is hereby given to the Voters of Prince Rupert Electoral District that in obedience to His Majesty's Writ to me directed, and bearing date the twenty-third day of October, in the year of our Lord one thousand nine hundred and twenty, I require the presence of the said Voters at the Government Office, Prince Rupert, B.C., on the tenth day of November, 1920, at 12 o'clock noon, for the purpose of nominating and electing one person to represent them in the Legislature of this Province.

THE MODE OF NOMINATION OF CANDIDATES SHALL BE AS FOLLOWS:

The candidates shall be nominated in writing; the writing shall be subscribed by two registered voters of the district as proposer and seconder, and by ten other registered voters of the said district as assenting to the nomination, and shall be delivered to the Returning Officer at any time between the date of this Proclamation and one p.m. of the day of nomination. In the event of poll being necessary, such poll will be open on the first day of December, 1920, at

mechanic may crawl through them and attend to the engines. There are only two struts in the monoplane, and these extend laterally from the under-carriage to the under-side of the wings.

To Cross Atlantic

The first question that arises is to what extent the efficiency of the propellers will be reduced since they are placed so close to the leading edge of the wings. It is understood that, following the trials, an early attempt will be made to fly the machine across the Atlantic. The revelation of German activity is of the utmost interest in view of the references made at the Air Conference to machines of British design with their engines mounted in the Atnarko **Banks Island** Bella Bella Balla Coola Buckley Bay Butedale Cedarvale Claxton Copper Bay **Copper City Dundas Island** Firvale Georgetown Hagensborg Hartley Bay Haysport
