STEWART

The new wharf put in this season here is already proving entirely inadequate and there is much protesting about it. There is not sufficient for freight and boats sometimes have difficulty in landing.

Martin M. Smith and Herbert W. M. Robinson have taken over the Portland Canal News from James Cullins who established the paper over a year ago. Mr. Cullins has gone south for the winter.

The Victory Ball held in the Ocean View cabaret on Thursday night was a most enjoyable affair. For many it was the last dance in Stewart before leaving for the south.

Many of Stewart's citizens have left for the south to spend the winter in various of the coast cities.

QUICK RELIEF FOR COLDS AND GRIPPE

Treatment Which Breaks Up Bad Cases in 24 Hours.

Never nurse a cold, not even for a single hour. The sooner it is broken up the better for your general health, let alone your comfort. Start treatment as soon as the first symptoms—sore throat, feverishness, pain in the muscles, etc.—appear. Grip-Fix will break up a bad cold in a night. It comes in capsule form, which gives prompt results and is also convenient for handy use. It contains nothing but the very drugs your physician might prescribe. They are plainly printed on every box. Ask your physician about them if you want to.

The action of Grip-Fix is to keep the system open, to reduce the feverish condition and relieve the muscular soreness. At this season of the year every home should have a box of Grip-Fix in the house. Its prompt use may avoid dangerous illness. Grip-Fix is on sale at all druggists, 35 cents a box.
