"On With the Dance"

What better fun can be imagined than the impromptu dance when
a few friends drop in for the evening?

Even those who have never acquired the nimble step enjoy the
gladsome activity—and the Music.

That's the thing which helps so wonderfully to make home life
happy—Music.

Do you have plenty of music in your home? Do you take full
advantage of Music's subtle power to make the long winter evenings
pass by like Magic?

The Player-Piano and the Phonograph need no skill to play.

Have you got them in your home?

Now's the time to get them if you haven't—NOW when the long,
cold evenings make it more comfortable to stay at home.

Come in and let us show you how easy it is to own any of the
instruments of modern melody.
