How Are Its Works?

The thing so many people overlook
when buying a watch are its works
—and if long, satisfactory service is
desired good works are essential.
The movements in all Birks' watches
are made specially for us in Switzer-
land, and they are fully guaranteed
by us in every way.
Let us send you particulars of
watches when you are considering
a purchase.

BRINGING UP FATHER

PRINCE RUPERT MAY COME HERE

Captain Donald is Now at Swan-
son Bay to Take Charge—
Preliminary Survey Here

Captain Donald was a passenger on the Prince George this trip from Vancouver to Swanson Bay, where he will take charge of the wrecked steamer Prince Rupert as master. Great progress is being made on the floating of the big three-stacker and she should be ready to move in quick order now. The report was brought by the steamer Prince George yesterday that the Prince Rupert, though she may go south for repairs, will first come to the company's dry dock here for preliminary survey. If dry dock troubles are by that time adjusted, the local yard will also have a chance to tender on the repair work, which is going to be very extensive.

TAGGED SALMON IS CAPTURED IN SKEENA

Chinook from Washington, U.S.A.,
Reached These Waters Re-
cently

The U.S. Bureau of Fisheries has been advised by W. A. Found, of the Canadian Department of Marine and Fisheries, of the capture in the Skeena River of a Chinook salmon bearing an aluminum button, which, according to the bureau's records, was attached to a fish at Point Partridge, Whidbey Island, Wash., Aug. 13, 1918. This was done in connection with the investigation of the migrations of Fraser River sockeyes, a Chinook evidently having been tagged by mistake.

It is thought that the fish must have been in its second or third year when tagged, maturing two years later. The fact that a Chinook should be caught in a trap so far from sea at this period of its life is interesting. The distance between the points at which it came under observation is about 600 miles by the most direct water route.

FOOTBALL CLUB HAD DANCE LAST NIGHT

About 100 persons attended the Prince Rupert Football Association Ginderella dance in St. Andrew's Hall last evening. Although ladies were scarce, the affair was quite enjoyable. Arthur's orchestra, which is gradually gaining a name for itself, supplied the music which left little to be desired.

R. Arthur, Sr., and Charles Blythe were on the door, while Eddie Craggs was the master of ceremonies.

Do not forget to look into the Liberal committee rooms, Pattullo Block. They are open all the time and there is somebody there all the time. Most of the friends call in the evening.

All carpets and rugs will have a straight 20 per cent discount at Tite's.

VANCOUVER BOWLERS VISIT OCEAN FALLS POSSIBLY VERY SOON

OCEAN FALLS, Nov. 25.—Ar-
rangements are under way to
bring a Vancouver bowling team
here within the next month or six
weeks to roll against the local
boys. None of the Vancouver
teams make better averages than
the local pipettlers, according to
the Vancouver papers.

In one of the best games of the
season the pipettlers won out
again, making ten straight games.
The Townsite and Loggers have
put up the best contest games to
date. In their last match the score
was, Pipettlers, 2,628, and Town-
site, 2,490. The average of the
Pipettlers was 175 and of the
Townsite 166. Thomas made the
highest score, 238, and the high-
est average of 207. The follow-
ing is the standing of the teams
to date:

	Played	Won	Lost
Pipettlers	10	10	0
Loggers	9	5	4
Townsite	6	3	3
Pap'mrks, No. 2	4	2	2
General Store	7	3	4
Pap'mrks, No. 1	7	3	4
Sulphate	6	1	5

Ten Years Ago in Prince Rupert

November 25, 1910

Unorganized labor in Prince
Rupert last night held a meeting
with a view to organizing the
working men of the city. The re-
lative merits of the American
Federation of Labor and the In-
dustrial Workers of the World
were discussed, but no decision
was reached as to which body
would be chosen to affiliate with.

Tom Nekich was killed and
John Davison and M. Myros were
injured at Mile 77 this morning
when two hand cars collided.

On account of having to go
down 54 feet before reaching bed
rock a compressor will have to be
used at Skeen Crossing in the
erection of the railway bridge. A
crisscross also have to be sunk
and in all likelihood the bridge
will not be finished for a year.
The Kitselas tunnels will likely
be completed before the winter is
over.

The city council is going to in-
troduce Prince Rupert's first cur-
few bylaw on the recommendation
of the School Board.

The school children are giving
a concert in the Empress Theatre
tonight. The program: address,
Lloyd Johnston; dance, Doris
Pattullo; scarf dance, Violet Mor-
timer and Dorothy Tremayne;
recitation, Eileen Patmore; song,
G. Regina Hunter; dances, Ethel
Gray; French polka, Violet Mor-
timer, Doris Pattullo, Dorothy
Tremayne, Gracie Manson; dia-
logue, Ida Nehring and Jack
Humble; song, Ethel Gray; min-
uet, Doris Pattullo and Violet
Mortimer; recitation, Wallace
Anderson; instrumental, Misses
Annie and Eva Birnie; recitation,
Jack Dowling; piano duet, Kath-
erine Johnston and Miss Froud;
ball exercises, Eva Birnie, Annie
Birnie, Catherine Johnston and
Jennie Macdonald; reading, Mar-
garet Morgan; song, Lottie
Daugherty; drill, Madeline Nelson;
Muriel Patmore and Betty Bar-
row; reading, Edith Sing; violin
solo, Alex. Hunter; illustrated
recitation, George Shaw. Miss
Froud arranged several choruses.
