Political Leaders on Election Result

Premier says Victoria and Delta rebuke to those who assailed his personal honor; Bowser could have won if

VICTORIA, December 3.—Premier Oliver when seen yesterday after the results were known said: "The result shows the voters' approval of the Government's administrative achievements. The Delta and Victoria victories are a rebuke to the assailants of the premier's personal honor. The election was the cleanest ever held, thanks to the new Election Act." The premier emphasized that all not voting on Wednesday would have their names dropped from the list and would have to re-register.

W. J. Bowser commenting on the result as follows: "If it had been a straight fight without independents in the field, the Conservatives would have won with a substantial working majority. There was a heavy independent vote against the Government. They will have a bare working majority. The lavish Liberal expenditure on advertising was a big factor in Oliver's success."

COMPLETION IN PRINCE RUPERT

Word From Ottawa Still Reassuring—Mr. Magoffin Is Asked for Tender at Once.

In reply to the telegram sent by K. S. Magoffin to Hon. C. G. Balfour offering to complete the ship at the dry dock, a telegram was last night received by Mr. Magoffin from the minister requesting him to send in his bid at once. It was explained that other public tenders were being called for and that the most favorable tender would be accepted for the completion of the ship in Prince Rupert. D. R. Finkelstein, Mr. Magoffin's associate in his proposition, arrived last night from Winnipeg and today the tender is being prepared.

Col. Peck has also sent a reply to a Board of Trade telegram in which he states that there was no doubt in his mind that the ships would be completed in Prince Rupert.

In the meantime the sheriff's proceedings at the dock have been further stayed until the first of the week.

The Knights of Pythias defeated the St. Andrew's Society last night at whist, winning 5 to 4 and the Scots are thus displaced from the first rank in the standing. The Knights of Columbus beat the Oddfellows 6 to 3 and the Sons of Canada were also successful over the Elks.

MORE RESULTS IN THE NORTH

Seems Alex. Manson Has Biggest Percentage Majority in Province—Fort George Close.

Related election reports from various outside places in the north further assure the election of the "solid four" for Atlin, Omineca, Fort George and Prince Rupert. There have been gains for Forinby in Prince Rupert but not sufficient to change the standing although he is now giving J. H. Burrough a hard run for third place and is close behind.

In Omineca late reports further increase Alex. Manson's majority and it is apparent that he has swept his constituency with a greater percentage of majority than any other candidate in the province. He has nearly twice as many votes as all his three opponents have together. Neither Prudhomme nor Kelly proved contenders and the only opposition was from Captain Murray, the Conservative runner up.

Mayor Perry, of Prince George, seems to have had the closest fight in the north although he now has a very fair margin over Sam Cocker, Conservative, and here are only a few smaller polls to be heard from. The Atlin situation is the same as yesterday, no new returns having yet been received.

Following is the detailed result up till this afternoon:

Atlin—H. F. Kergin leading by 76 over Geo. B. Casey, Socialist.

Omineca.
New returns—Rose Lake, Manson, 11; Murray, 1; Prudhomme, 0; Kelly, 0.
South Francois—Manson, 14; Prudhomme, 0; Murray, 0; Kelly, 0.

Kispitox—Manson, 7; Murray, 1; Prudhomme, 0; Kelly, 0.
Total returns for Omineca up till this afternoon give Manson, 45; Murray, 225; Prudhomme, 50 and Kelly, 26.

Prince Rupert.
Bella Coola—Pattullo, 24; Newton, 8; Burrough, 1; Forinby, 48.
Hagensborg—Pattullo, 53; Newton, 9; Forinby, 1.
Atnarko—Pattullo 4; Newton 3.
Bella Bella—Pattullo, 3; Newton, 1; Forinby, 6.

With 39 of the smaller polling divisions to hear from the standing is: Pattullo, 1,053; Newton, 566; Burrough, 111; Forinby, 400.
The latest word from Prince George gives Perry a majority of 60 over Cocker.

DICK BURDE GETS ALBERNI DISTRICT

With Six Small Polls to Hear from He has Substantial Majority

ALBERNI, Dec. 3.—With six small polls to hear from Major Dick Burde has a lead of 120 in this district. The election is conceded to the Soldier-Independent newspaperman. This is his second term.

PREMIER THANKS NORTHERN PEOPLE FOR THEIR SUPPORT

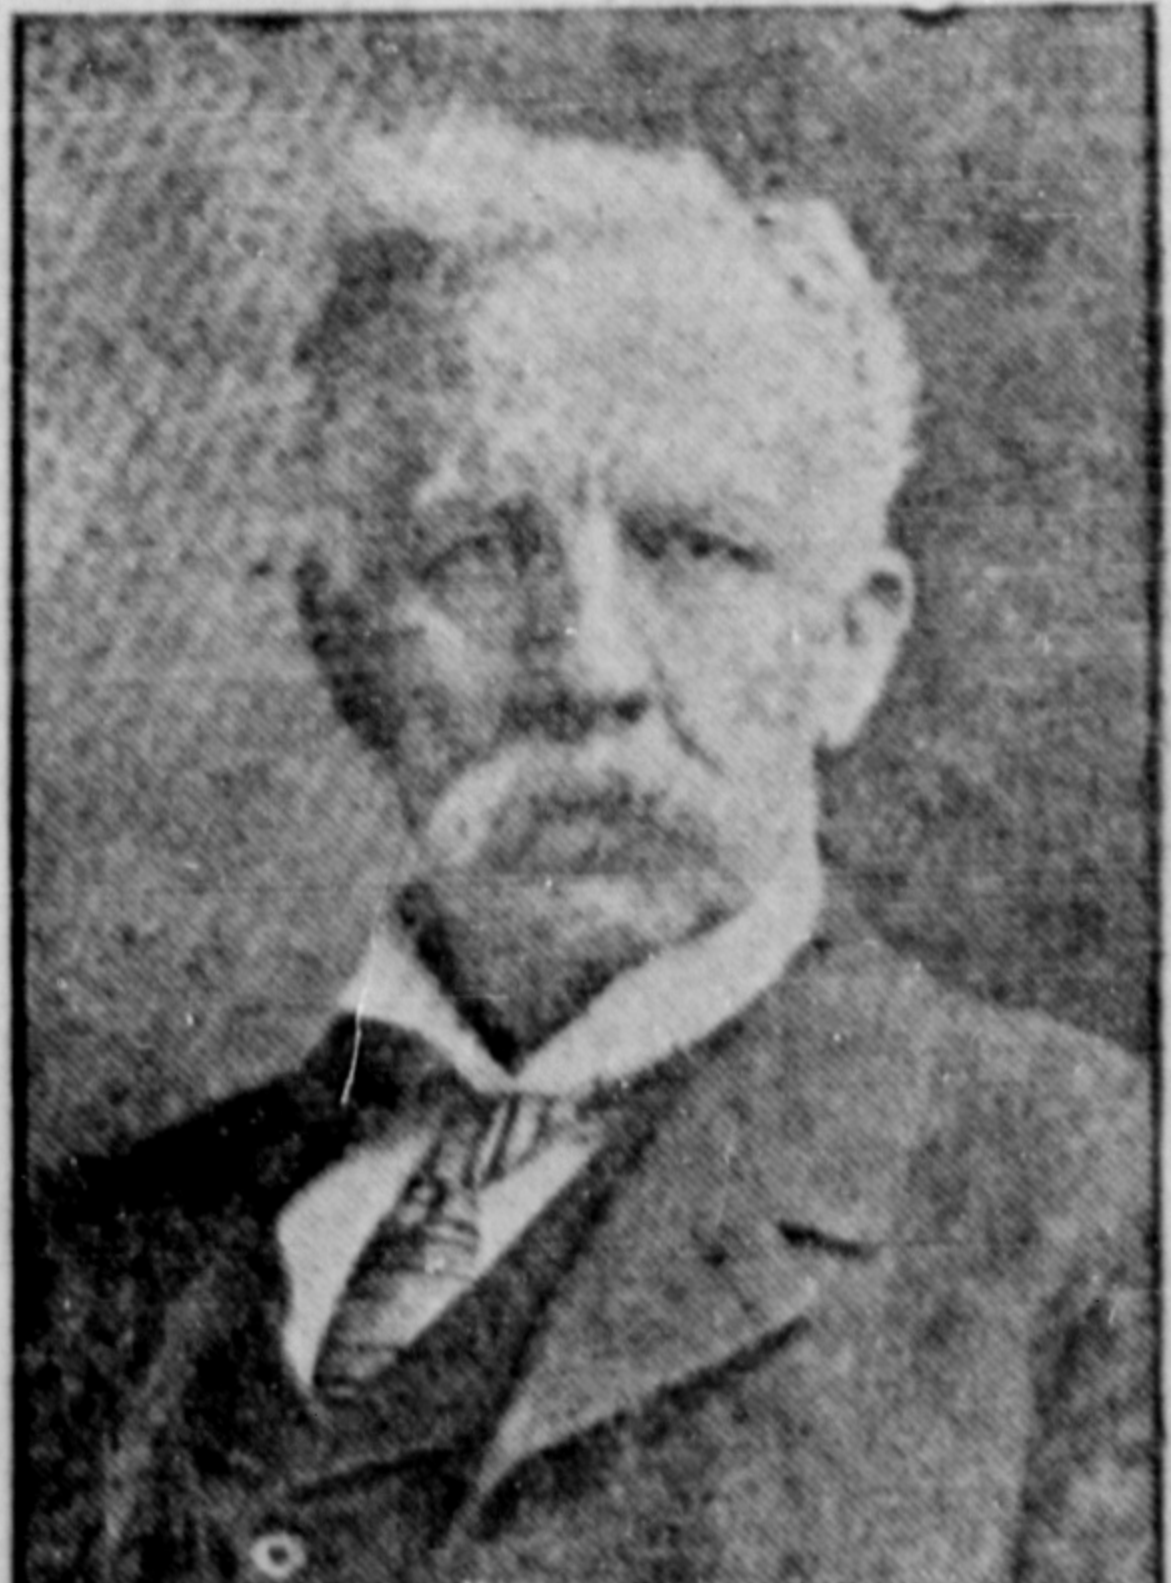

Yesterday Hon. T. D. Pattullo telegraphed Premier John Oliver his congratulations on his re-election and on the continuance of the Government in power. Shortly before leaving for the south last night on the Prince George he received a reply saying: "Congratulations mutual. Thank our northern people for the splendid support they gave us."

MANSON RETURNS Arrived Last Night and is Back to Work This Morning.

Alex. Manson, the winning candidate in Omineca, who has been for several weeks touring his constituency, returned last night and this morning was back at his office tackling the accumulations of work. He is naturally elated over his victory.

Among the southbound passengers on the Prince George last night were John Emerson, O. B. Smith (Anxox), F. Buckley, H. E. Ross and Mr. and Mrs. W. Keves for Vancouver, and Sergt. Warrier, R. C. M. P., for Ocean Falls.

PROBABLY DEFEATED

Hon. John Keen, Speaker of the House last session, is a Kaslo civil and mining engineer and was the oldest man in Parliament last term.

BILLIARDISTS WILL COMPETE

At Meeting in the Wanderers Club Last Evening Five-Team League Formed.

BRIDGE AND BILLIARDS BETWEEN TWO CLUBS

A Prince Rupert billiard tournament was organized last evening at a meeting held in the Wanderers Club. A handsome cup has been presented by the Trail Club for the series and there are to be five teams in the competition consisting of six players each. These teams are the Wanderers, St. Andrew's, Trail, Elks, and G. W. V. A., who are represented on the committee by R. H. Shockey, J. A. Allen, M. J. Condon, B. F. Self and H. M. Jepson respectively. W. F. Roberge was chosen secretary of the tournament. The first game will be played on December 6 and the schedule will be announced later.

A billiard tournament between the Wanderers Club and the Prince Rupert Club for the S. P. McMorde Cup, which has not been competed for for eight years, during which time it has been standing in the Wanderers Club, is also planned. The first game will be played in the Wanderers Club on December 11.

Besides these billiard games between the two clubs there will be a series of bridge games for the Bridge Shield which has not been played for since before the war. Each club will be represented by 12 players and the first game will take place in the Prince Rupert Club on December 15.

Tried to Commit Suicide in City Jail and is in Serious Condition.

VANCOUVER, Dec. 3.—Saylor Malone, the man who was committed for trial here on a charge of holding up the cashier of the Imperial Oil Co. last night, attempted to commit suicide by severing an artery in his wrist while in the jail. He is in a serious condition.

Mr. and Mrs. Jarvis McLeod and family went south last night. Mrs. McLeod will spend the winter in Salt Lake City, but Mr. McLeod will return shortly.

Celebrate Tonight Liberal Victory

Little change in situation except that John Keen probably defeated; Manson may be Speaker and Kergin Whip

VANCOUVER, December 3.—While there are still several seats in doubt, it is practically certain that the Government will have a working majority in the next legislature. Premier Oliver is delighted with his success and that his ministers have all, apparently, been returned. The absentee vote may possibly affect the standing of Hon. Dr. King, minister of public works, whose lead at Cranbrook is a small one. Hanes of North Vancouver, and Duncan, the independent Liberal of Cowichan, it is certain will vote generally with the Government and Rev. Thomas Menzies of Comox, the farmer-soldier, was formerly a Liberal.

Unless, as is unlikely, the final count upsets the present result, John Keen is defeated in Kaslo. He will probably be succeeded as speaker by the elevation of A. M. Manson of Omineca to the position. He is at present deputy speaker. If Bert Kergin's election is confirmed, as is expected, he may succeed Charles Nelson as government whip, a position held by the late Frank Mobley. Nelson is defeated in Slokan.

All the ministers at the capital are coming here tonight for the monster Liberal celebration of victory. A band will meet the boat and will head a parade to the Hotel Vancouver.
