PRESENTATION MADE TO MRS. BIRNIE THURSDAY

Ladies' Auxiliary of St. Andrew's Society Show Appreciation For Long Service.

At the meeting of the Ladies' Auxiliary of the St. Andrew's Society on Thursday night a presentation of a handbag was made to Mrs. K. E. Birnie, the vice-president, who left this morning for the east. The presentation was made by Mrs. J. S. Irvine in the absence of Mrs. W. Reid, the regular chairman. Mrs. Birnie has been vice-president of the Auxiliary for the past year and for many years has been an energetic worker and it was in appreciation that the token was presented. There was an enjoyable musical program.

Following the presentation, Mrs. Birnie found a crowd of friends awaiting a surprise at her home. The rest of the evening was merrily spent at dancing and games.

Accompanied by her son, Peter, Mrs. Birnie left this morning for Winnipeg and Toronto. She will return to Vancouver in the spring.

MAY CONSCRIPT GERMAN LABOR

Government Proposal is Being Vigorously Opposed and is Storm Centre of Discussion.

BERLIN, Dec. 10.—Conscription of labor to increase production in Germany, a law for which is being drafted, would apply to girls and women as well as men and boys, all of whom would be compelled to render a year of service in mines, factories, on farms, in hospitals, or wherever the state directed.

The proposal, credited to Matthias Erzberger, former minister of finance, has become the storm centre of a discussion which has run the scale from invective and threat to ridicule, and now, with the law nearing completion, its proponents have made it apparent they will seek with deadly earnestness to force its passage through the Reichstag.

On the other hand the opponents of the measure, including the powerful socialist faction, have declared they will oppose the passage with every means at hand and should they fail will later seek to vitiate the legislation.
