ERECT MONUMENT TO FAMOUS POLE WHO LED CHARGE

WARSAW, Dec. 13.—The Poles
are using some of the gun metal
taken by their army from the Bol-
sheviki to cast a monument to be
erected in this city to Father
Skorupka, the heroic young army
chaplain called "The Savior of
Warsaw."

It was Father Skorupka who led
the first successful charge that
turned the tide when the Red army
was at the gates of Warsaw on
August 15. He fell before Bolsh-
evik bullets, but his regiment ad-
vanced. From that moment the
Red retreat began.

Father Skorupka, who was only
27 years of age, was a former boy
scout and scoutmaster and was
an active Red Cross worker before
going to the front. He took par-
ticular interest in the organiza-
tion of the Junior Red Cross in
Poland, recently introduced here
by the American Red Cross. Among
the men of his regiment, many of
whom were either his schoolmates
or pupils of the school in which
he was a teacher, he was idolized.
Today his name is revered by all
Poles. A competition among the
leading sculptors of the country
will be held to choose the design
of this monument.

DIVORCE GRANTED WIFE OF MAN WHO CAME TO CANADA

LONDON, Dec. 12.—The fruit-
less elopement of a husband and a
girl not his wife, to Canada, where
she was not permitted to remain,
was described by the wife to Lord
Anderson in the Divorce Court at
Edinburgh.

Katherine McLaren Ranken,
Pottokshaws, Glasgow, petitioned
for a divorce from James Mc-
Gregor, of Hunter Street, Glas-
gow, her husband.

Mrs. McGregor said she was
married in 1911. "My husband
left for Canada in December, 1919,
to start a motor business," con-
tinued Mrs. McGregor. "I dis-
covered later that he was accom-
panied by the girl clerk of his
Glasgow motor-car business."

"When the pair reached Canada
the authorities deported the
woman and my husband returned
with her to Liverpool."

"I never saw my husband
again."

Albert Bishop, a purser on the
Anchor liner Saturnia, said that
McGregor and a woman named
Lambie sailed to Canada in that
ship. Their tickets bore con-
secutive numbers. The girl was
not permitted to enter Canada.
She returned to the ship under
escort. McGregor came back to
this country with her.

A divorce was granted.

ELECTION RUMORS

"Lounge" Tells a Few Things He
Heard of Women Voting

"Lounge" writing in the Vic-
toria Colonist discussing some of
the rumors of the recent election
says:

"One sweet young thing, dis-
cussing her prospective ballot
with a friend before entering the
booth, remarked to her companion
that she was going to vote for
Bowler. 'But you can't,' replied
the other; 'he's not up for this
constituency.' 'Oh, he isn't,'
he?" responded the first; well I'll
jolly well put him up."

"If this should meet the eye of
the Leader of the Opposition he
will know that he has at least one
firm supporter among the fair
sex in Victoria."

"Another couple were walking
down the street after having re-
gistered their votes and were,
of course, telling each other the
names of the candidates for whom
they had voted and their reasons
for so doing. 'Well,' said one, 'I
hardly knew one name from an-
other, but I felt safe in voting for
Mr. Dooley.' 'Did you now,' came
the answer; 'what does his party
stand for?' 'Oh, I know nothing
about his party or his politics,'
was the reply, 'I voted for him
because I had so much enjoyed
Mr. Dunne's book about him.'
'During the course of the after-
noon I happened to be passing an
excited little knot of women dis-
cussing their political views; I
walked slowly, very slowly, you
know; just one degree faster than
a full stop. I didn't miss a word,
and I was repaid by the following
illuminating sentence: 'I'm going
to vote Conservative; I don't know
who the men are; I'm just going
to put my cross in the blank op-
posite the word 'Conservative.'"

Possess Good Health By Looking after THE BOWELS

A free motion of the bowels, once or
twice a day, should be the rule of every
one, as half the ills of life are caused by
allowing the bowels to get into a con-
stipated condition.

When the bowels are allowed to become
constipated, the stomach gets out of
order, and the liver does not do its work
properly on account of holding back the
bile so that it does not pass through the
bowels, but is allowed to get into the
blood, thus causing a poisoning of the
whole system.

If you would escape constipation, sick
and bilious headaches, heartburn, floating
specks before the eyes, coated tongue, foul
breath, the nasty irritating, bleeding,
itching and protruding piles, you should
keep your liver stirred up by the use of
Milburn's Laxa-Liver Pills.

These pills, being purely vegetable,
keep your liver working actively, helping
it to resume its proper functions, and
thereby removing the bile that is cir-
culating in the blood and poisoning the whole
system.

Mrs. H. Barrows, Enfield, N. S., writes:
—"I was troubled with such headaches
and constipation. One day a friend told
me of Milburn's Laxa-Liver Pills. I got
two vials, and found they did me a world
of good. I therefore have great faith in
them."

Milburn's Laxa-Liver Pills are 25c. a
vial, at all dealers or mailed direct on
receipt of price by The T. Milburn Co.,
Limited, Toronto, Ont.
