**GOOD SUM FOR  
 PIANO FUND**

Only a Few Dollars More Needed  
 to Clear off Debt at  
 School.

As a result of the children's  
 concerts given under the auspices  
 of the teachers of King Edward  
 School, the gross sum of \$398  
 was taken in and this added to  
 \$30 obtained by the children for  
 selling tickets at the Grossmith  
 concert some time ago makes  
 \$428.

The total expenses of the enter-  
 tainments amounted to \$60.80,  
 leaving a balance on hand for the  
 piano of \$367.20. The piano cost  
 \$375 so it is practically paid for.  
 The matinee yesterday after-  
 noon was crowded chiefly by  
 school children and the young  
 people did their parts excellently.

**PUBLIC HALL FOR  
 STEWART DISCUSSED**

Proposition was Put Before Public  
 at Meeting Held Last Week;  
 Financed by Bonds

At the public meeting which  
 was convened last Monday even-  
 ing in Stewart a communication  
 was read from Workman & Law-  
 rence in which they submitted a  
 proposition to furnish plans and  
 specifications for a public hall,  
 the building of which would be  
 financed by a bond issue, part of  
 the lumber and construction to be  
 paid in bonds. If the plan goes  
 into effect the plans and speci-  
 fications are to be furnished free.

After considerable discussion  
 the executive of the Citizens' As-  
 sociation were empowered to ap-  
 point a committee of five to confer  
 with Workman & Lawrence and  
 fully investigate and report back  
 to a similar meeting, submitting  
 their findings and making recom-

**"DEVIL" SAYS FLOAT  
 THE DRYDOCK SOUTH  
 FROM PRINCE RUPERT**

"The Devil," an irresponsible  
 independent sheet published at  
 Vancouver, has the following in a  
 recent number:  
 "Up north we have a floating  
 drydock eating its head off and not  
 paying interest on capital ex-  
 penditure. The place for that  
 drydock is Vancouver. We say  
 this fearlessly and with due re-  
 gard for our northern neighbor's  
 feelings. While that dock may  
 look nice there, so long as it is  
 that empty it is a poor advertise-  
 ment to Prince Rupert, who is  
 also contributing in taxes its  
 share to the interest and upkeep  
 bill; and will continue to do so  
 until we have a man strong  
 enough in politics to order its re-  
 moval. How much longer is the  
 game to be played on the public."

**BRITISH BANKS ARE  
 DRAWING IN CREDITS**

Demands on the Financial Insti-  
 tutions so Great That They  
 Cannot be Met.

LONDON, Dec. 16.—There has  
 for the past month been a tight-  
 ening up of the financial position  
 in this country. The banks are  
 absolutely refusing to extend  
 larger credits and there is a grad-  
 ual drawing in of credits already  
 extended. The banks claim that  
 they are unable to meet the de-  
 mands made on them both by the  
 Government and by merchants  
 and others and it is absolutely  
 necessary to curtail credits.

**HEALTH OFFICIALS  
 WARN THE PUBLIC**

With the memory of the epidemics  
 which have swept the continent the  
 past three years, health officials are  
 every-where advising the public to  
 treat any case of cold, however slight,  
 promptly. They point out that, even of  
 a simple cold, is liable to lead to dangerous  
 forms of disease, many of which are  
 considered contagious.

Bear this warning in mind and keep  
 a box of Grip-Fix in the house. As soon  
 as the first signs of a cold appear start  
 taking the remedy. It works quickly and,  
 if taken promptly, will relieve even a bad  
 cold in a single night.

Grip-Fix contains in capsule form just  
 the drugs your physician might prescribe—  
 Aspirin, Phenacetine, Quinine, salol,  
 caffeine, citrate, cascara and Camphor  
 Monomeric. Nothing is known to the  
 medical profession which will break up  
 colds or grippe quicker. It is sold in  
 capsule form for convenience in taking  
 and also to save prompt action.

Grip-Fix is sold by all druggists at 25  
 cents per box, get a box today and keep  
 it handy around the house.
