Develop Port as Permanent Asset.

The development of the port of Prince Rupert is one of the things on which all the energies of Prince Rupert people should be centred at the present time. Along this line the interview with the trade commissioner for Alberta, who is at present in the city, proves most interesting reading.

Coal Necessary To Every Port.

No port can expect to be successful from a shipping point of view unless it has a plentiful supply of cheap coal. With plenty of good quality coal at commercial prices, there is bound to be development.

Shipping Alberta coal to Prince Rupert is no experiment. At the present time approximately one-third of the coal consumed here comes from that province.

Day of Oil Dominance Seems to be Passing.

The days of the dominance of fuel oil seems to be passing. Already the price of the product has mounted until it is expensive to operate ships or trains with oil fuel.

Get Busy Now Before the Session.

This is the time, before the opening of the Dominion Parliament, when we should make another determined effort to move the Dominion to provide us the facilities we need.

Divide on Small Things But Unite on the Big.

We divide into rival camps in matters of politics. We divide possibly in matters of civic government and policy. There are other little questions on which we have differing opinions such as the settlement of the Cow Bay question.

TORTURED BY TERRIBLE ECZEMA

Suffered Three Years Until She Tried "FRUIT-A-TIVES"

DAME PETER LAMARRE

Pointe St. Pierre, P. Q. "I think it my duty to tell you how much your medicine has done for me. I suffered for three years with terrible Eczema. I consulted several doctors and they did not do me any good.

Then, I used one box of 'Sootha-Salva' and two boxes of 'Fruit-a-tives' and my hands are now clear. The pain is gone and there has been no return. I think it is a marvellous cure because no other medicine did me any good and I tried all the remedies I ever heard of, without benefit until I used 'Sootha-Salva' and 'Fruit-a-tives'.

'Fruit-a-tives' cooled the blood and removed the cause of the disease, and 'Sootha-Salva' completed the cure."

Dame PETER LAMARRE (Mrs). 50c. a box, 6 for \$2.50, trial size 25c. At all dealers or sent postpaid by Fruit-a-tives Limited, Ottawa, Ont.
