TERRACE

At the first annual meeting of
the Terrace branch of the North-
ern Interior Co-operative Associ-
ation, the consensus of opinion
was that a jam factory should be
built here. H. A. Beck, general
manager of the association, ad-
dressed the meeting and the
following were the new officers
chosen: President, J. Kirkaldy;
Vice-President, D. A. McKinnon;
Directors, H. A. Swain, K. Olsen
and H. Franks.

The first real snowstorm struck
this district this week and nearly
eight inches fell. Later the tem-
perature rose and the snow
changed to rain.

Most of the employees of the
Amsbury mill, which has closed,
have come into Terrace for the
winter.

A new addition is being made to
the provincial jail here.

SMITHERS

D. R. Willemar, the Hazelton
mayor, has gone into the Babine
country to conduct investigations
for Eastern mining interests.
Mrs. Willemar is in Smithers.

There is two feet of snow in
Smithers and recently there has
been a great deal of wind.

On Friday night of last week
the question of village incorpora-
tion for Smithers was considered
at a largely attended meeting. L.
S. McGill was in the chair and a
committee comprising H. Welch,
N. P. Moran and L. B. Warner was
delegated to investigate the re-
venue and expenditure of such an
administration.

John Albion has been sen-
tenced to six months in Fort
George jail for robbing the cash
box of the Smithers Club.

PRINCE GEORGE

Mayor H. G. Perry, M.L.A., may
seek reelection in the forthcoming
municipal elections. Other can-
didates mentioned are Dr. Alward,
I. H. Johnson, W. P. Ogilvie and
Henry Wilson.

A delightful entertainment was
given by the pupils of the South
Fort George School on Thursday
evening. The children reflected
the results of the weeks of careful
training in songs, recitations and
drama under Miss McLaughlin and
Miss Mutual.

"Big Bill" Manson, of Vander-
hoof, is in charge of the Indian
Agency in this district in the
absence of Inspector McAllan, who
is gone to the Antipodes on holi-
days.

Miss Eileen Rolston, of the
local teaching staff, is in the
Prince George Hospital suffering
from a nervous breakdown.

Through the excellent work of
the Ladies' Auxiliary of the
G.W.V.A. the club rooms have
been most comfortably fitted up.

One Great Essential To a Woman's Health Is Her Nerves

Nature intended women to be strong,
healthy and happy as the day is long.
Instead of being sick and wretched. But
how can any woman be healthy and happy
when the whole nervous system is un-
strung. The trouble is they pay more
attention to their social and household
duties than they do to their health. It is
any wonder then that they become
irritable and nervous, have hot flushes,
faint and dizzy spells, smothering and
sinking spells, become weak and nervous,
and everything in life becomes dark and
gloomy.

Milburn's Heart and Nerve Pills are the
very remedy that nervous, tired-out, weary
women need to restore them to the bless-
ings of good health.

Mrs. P. H. Ryan, Sand Point, N. S.,
writes—"I have been a great sufferer
from nerve troubles. I was so weak and
nervous I could not sleep at night and
my appetite was very poor. I could not
walk across the floor without trembling.
I had hot flushes and fainting spells. When
I was on my second box of Milburn's
Heart and Nerve Pills I began to feel bet-
ter and kept on until I had used six boxes
when I felt like a different person. I am
never without them in the house and recom-
mend them to all who suffer with their
nerves."
